## Basins Save City In Storm

Only minor damage was reported in Sierra Madre during the heavy storm last week when 10.80 inches of rain fell in 36 hours.

The city's four catch basins, built after the devastating flood two years ago, were believed responsible for trapping rocks, logs and other debris that could have seriously damaged many streets and homes.

## Ex-Mayor Will Head Area C. of C.

William A. Kinney, mayor of Sierra Madre in 1950-1952, has been elected president of the San Leandro Chamber of Commerce.

Mr. Kinney also served as a member of the Sierra Madre City Council commencing in 1948.

The new Chamber president in the San Francisco Bay Area community was transferred to San Leandro in 1952 at the time Pioneer-Flintkote opened its new \$3,000,000 San Leandro plant.

Mr. Kinney, plant manager, was elected to the San Leandro Chamber's board of directors in 1954. He was chairman of the organization's National and State Affairs Committee last year, conducting a number of studies in legislation and culminating his year's activities with a general membership meeting featuring Sen. William F. Knowland.

"Sierra Madre's loss was really San Leandro's gain inasmuch as San Leandro businessmen and executives have found William A. Kinney to be extremely capable and conscientious. His ability promises to give the Chamber one of its most active years and all of us are looking forward to working under his leadership," declared P. D. Bartlett, outgoing president.

## John Chambers Succumbs at 83

John Chambers, 83, of 313 Ramona, Sierra Madre, died Jan. 30 in a Los Angeles hospital. He was a resident here 17 years.

Mr. Chambers, a retired hardware merchant, had been the head of "Park Boys" and a member of the Knights of Pythias in Idaho.

He is survived by his wife, Marion J., and a sister, Mrs. Charles Williams, of White Water, Wis.

Funeral services were to be held today at 3 p.m. in the Riple Mortuary Chapel. Interment will be in Live Oak Memorial Park.

## PTA Will Sponsor Valentine Dance Feb. 11

The Sierra Madre PTA will sponsor a Valentine Dance Feb. 11 in the school cafeteria.

This will be the first social event of the year for the PTA, and an invitation is extended to all members, friends and those individuals interested in school affairs. A charge of \$1 per person will be made to help defray expenses.

## Leonard Edmondson Exhibit Open Feb. 5 in the Library

Leonard Edmondson, whose abstract paintings have been invited to hang in distinguished galleries across this country and out of it, begins a one-man show at the Sierra Madre Library Gallery on Feb. 5.

This first complete exhibit of abstract art to be shown in the local gallery begins with an Open House on Sunday from 2 until 5 o'clock.

A native Californian and a resident of Pasadena, Mr. Edmondson is head of the Design Department of Los Angeles County Art Institute, on leave from Pasadena City College, where he instructs in drawing and design.

In the past year his non-objective paintings, oil or water colors and etchings, have been invited to the Third Biennial International Show in Sao Paulo, Brazil; the Carnegie International, and the Younger American Painters' Exhibition at the Guggenheim Museum in New York.

Mr. Edmondson this year received the Tiffany Foundation Grant in graphic arts for his

Supt. Al R. Freeland of the Water Department said 5.12 inches fell on Jan. 26, 5.65 inches on Jan. 27 and .03 the third day. The flow through the Sierra Madre Canyon, he said, was rather light considering the amount of rain that fell.

The dry mountains, he explained, probably absorbed a great deal of the water and the vegetation, which is growing back after the fire of late 1953, also helped hold back the rainfall.

T. W. Neale, president of the Bank of Sierra Madre, in a letter to Rep. Edgar W. Heistand, thanked the congressman for his efforts in obtaining funds to have the debris basins built.

"We wish to thank our government," Mr. Neale said, "and especially you, for the basins above Sierra Madre which through your efforts were constructed in time to save us from a disastrous flood . . ."

The most serious damage from the storm was reported by John McKibben, owner of McKibben Furniture, 47 W. Sierra Madre Blvd.

Last Wednesday and Thursday water leaked into the store through the west back wall and roof and damaged furniture valued at several thousand dollars.

Mr. McKibben said he and his wife worked until midnight Thursday sweeping water from the floor. The water Thursday was up to four inches deep in parts of his store. A clogged-up drain inside the store was repaired in time to prevent even more serious damage, Mr. McKibben said.

City Administrator Lawrence C. Bevington said the pavement over the water pipe line at Ramona and Michillinda washed out. It is now being repaired.

Mr. Bevington also reported that the bottom of a storm drain near 286 Mariposa washed out, leaving a deposit of mud on the floor of a garage at that address.

Additional damage may have been prevented by the Street Department, which placed boards along Lima to prevent water from running into lawns and homes.

"This was the first real test the new debris basins have had," Mr. Bevington added, "and they worked beautifully."

He added that the U.S. Corps of Engineers will start working on a new storm drain in Lima St. about the middle of April.

WATER CASCADING DOWN the Lima St. gutters was checked by Carl Reese, city pumping plant operator, during the city's 36-hour storm last week. Almost 11 inches of rain fell in the area during the storm, but little serious damage was done in Sierra Madre, thanks to the recent flood control measures.

## City Treasurer Again a Candidate

C. J. Pegler, city treasurer, declared today that he will run for reelection in April to the post which he has held since 1944.

Nominating petitions for Mr. Pegler are being circulated by Emil Smith, of Sierra Madre Hardware.

Mr. Pegler, who lives at 89 W. Orange Grove, has been a resident in Sierra Madre for 62 years.

## Services Held For Mrs. Isham Last Tuesday

Mrs. Edna Pearl Isham, Quarnstrom, of 455 N. Canon Dr., died Jan. 29, 1956.

Private services were held Tuesday at Graveside Forest Lawn Cemetery. Riple Mortuary was in charge of arrangements.

Survivors include another daughter, Mrs. Maxine Warns, La Mesa, Calif.

## Boy Scouts to Begin Program At Community Chest Meeting

The entertainment portion of the program will be first on the agenda for the Sierra Madre Community Chest's second annual general membership meeting set for 8 p.m. Feb. 6 at the Community Nursery School, 701 E. Sierra Madre Blvd.

Election of seven new directors and the report of the Fund Campaign chairman also are scheduled.

Donald F. Mon, program chairman, has announced that a demonstration of Indian dances and lore by members of the Boy Scouts Order of the Arrow will begin promptly at 8 o'clock. The Order of the Arrow comprises older Boy Scouts who have attained highest honors in camping proficiency.

Mrs. Edith T. Dane, president of the Chest's 21-member board of directors, will preside during the brief business session to follow.

Col. Charles R. Gildart, chairman of the nominating committee, will present a recommended slate of new directors which may be augmented by nominations from the floor prior to the voting.

Progress in the 1955-56 Fund

## School Tax Increase Wins By 2-1 Margin

### Alyce Herrold To Attend Meeting

Alyce Herrold, who is the "gal Friday" in the Chamber of Commerce office, will attend the first annual "Steno's Workshop" tomorrow, Chamber Manager Anthony Cavalli announced yesterday. Sponsored by the Southern California Chamber of Commerce Managers Association, the day-long workshop will be at the Los Angeles Chamber offices.

### Exchange Club Will Sponsor Mrs. America

The Sierra Madre Exchange Club today officially accepted the role of sponsor of the local contest to choose a potential Mrs. America for 1957.

Donald McCormack, president, declared: "We're pulling for our Mrs. Sierra Madre. We are going to do everything in our power to boost her into the title, first as Mrs. California, and then as Mrs. America."

At the same time, Mr. McCormack announced that Carl Eherenman will be chairman of the local contest.

This year's Mrs. America contest, McCormack indicated, is the 18th annual competition to find the nation's top homemaker of the year. The contest is open to any married woman over 21 and is being conducted in communities throughout the United States under sponsorship of the American Gas Association.

Mr. McCormack stressed that the contest is not a bathing beauty affair but places major emphasis on homemaking capabilities of the contestants, testing their skill in cooking.

The Exchange Club now is distributing application blanks, Mr. McCormack said.

Additional information on the contest is available by calling Carl Eherenman at ELgin 5-8239. The next Mrs. America will win more than \$15,000 worth of useful prizes.

### LECTURE SERIES PLANNED

A series of four lectures by Dr. Michael Walsh on "Good Nutrition, an Investment in Health" will be presented Feb. 7, 14, 21 and 28 in Longfellow School Auditorium by Pasadena City College in cooperation with the Pasadena Chapter of the American Nutrition Society.

Following the program refreshments will be served by a hostess committee headed by Mrs. R. H. Ohs.

The annual meeting previously was scheduled to take place in the City Parkhouse.

The school tax increase passed by nearly a 2 to 1 majority Tuesday in the heaviest voter turnout on record in a school election here.

Of 2,252 ballots cast, 1,471 Sierra Madreans voted in favor of the increase and 781 voted against it. The highest previous vote in a school election was May 9, 1950, when 1,647 ballots were cast on a bond issue.

## Radio Show To Feature Local Girl

The increase—55 cents per \$100 of assessed valuation—will be included in 1956-57 tax bills. The school will receive no money from the boost until next December.

The vote cast at the city's four polling places, with the yes vote listed first, follows:

Sierra Madre School, 457 to 238; Parkhouse, 299 to 150; City Hall, 496 to 271, and the Canyon Pool, 225 to 122.

The vote is official with the exception of about 12 absentee ballots which will be counted in a week. A total of 4,480 voters were registered.

Shortly after the ballots were counted Tuesday night, members of the PTA, Board of Education, Civic Affairs Association and others who worked to insure a victory for the proposal met in the Sierra Madre School.

School Supt. Charles A. Skutt, who was congratulated at the meeting for his work in getting the issues to the people, released this statement:

"Our community of Sierra Madre responded well to the financial needs of its schools when the citizens were made fully aware of the facts involved. An expression of genuine appreciation is due to the Civic Affairs Association, the PTA, and School Board members and staff members of our schools."

John H. Curtis, Civic Affairs Association president, said:

"As chairman of the (association) it has been most gratifying to see that the people, once they were made aware of the facts, arose overwhelmingly to support the schools."

"We are very grateful to everybody, including The Sierra Madre News, for taking the fine stand they did in favor of this badly needed tax increase."

Mrs. Claude Brown, president of the PTA, said:

"It is gratifying that so many people turned out at the polls. They have demonstrated their faith and pride in the community."

Dr. Milton W. Valois, School Board president, also thanked all of those who supported the proposal. He added:

"I hope everybody will come out to School Board meetings in the future and help us spend this money. There are a lot of decisions ahead of the School Board. Among other things, we have the whole school program and the budget to consider."

The only overt opposition to the increase came at the last minute from a nebulous group called the Property Owners Association. Mrs. Isabelle F. Steele outlined the group's opposition to the proposal in the Pasadena Star-News last Friday.

Later, Mrs. Steele declined to comment on the makeup of the Property Owners Association, except to say it is composed of an "executive committee" that has been in existence for "two or three years."

Tickets at \$1.25 each may be obtained by calling Mrs. Robert Marlow at PO. 9-0184, or may be purchased at the door.

The play will be at the First Avenue School, Arcadia, Feb. 6 through 11.

JOHN C. McKIBBEN, owner of McKibben Furniture at 47 W. Sierra Madre Blvd., sweeps water through the front door of his store during the height of the heavy rainstorm last Thursday. Mrs. McKibben is shown mopping up water in the rear of the building. The water, which was up to four inches

in depth in the store, came in through the back wall and roof and damaged furniture valued at several thousand dollars. The danger of further damage was alleviated after a clogged-up drain was repaired.

## Sierra Madre Girl Is Winner In 'Search for Talent' Finals

A Sierra Made girl was among 18 finalists awarded medals and trophies at Pasadena Civic Auditorium last Saturday night at the climax of the 21st annual "Search for Talent."

She is Cathy June Franco, 15, the daughter of Mr. and Mrs. Franklin A. Franco, 409 N. Mountain Trail. Cathy, who has

A Sierra Madre girl was among 18 finalists awarded medals and trophies at Pasadena Civic Auditorium last Saturday night at the climax of the 21st annual "Search for Talent."

She is Cathy June Franco, 15, the daughter of Mr. and Mrs. Franklin A. Franco, 409 N. Mountain Trail. Cathy, who has never had formal music training, was the winner in the vocalists' Intermediate Division. She attends Woodrow Wilson Junior High.

The Search for Talent, presented by the Pasadena Board of City Directors, was sponsored by the Exchange Club of Pasadena and produced by the

Cathy June Franco

Pasadena Department of Recreation.

A highlight of Saturday's program was the appearance of guest artist Bee Jee Kunkun, vocalist; Terrence Dilts, pianist, and the Accordion Quartet.

Editorials

Is Consistency a Virtue?

Last week a group called the Sierra Madre Property Owners Association once again expressed its opposition to the proposed increase in the school tax rate here.

As in the past, this action was taken at nearly the last possible moment when it was too late for the proponents to do much but grind their teeth in anger. Since this was written before the results of Tuesday's election, I, of course, don't know if the group's belated campaign had any effect on the election's outcome.

I do know, though, that the Property Owners Association has taken credit for defeating the water bond issue, the public swimming pool and the proposed school tax increase last year. The group also opposed the pension fund for city employees, but failed to beat it down.

One left-handed compliment must be paid this group. It is consistent and can be depended upon, apparently, to oppose everything that is going to cost money at home.

This leads one to assume that perhaps the local association would prefer to let the Federal Government handle our problems. This, at least, is the assumption of the California

Taxpayers' Association, which might be called a spiritual companion of the property owners organization here.

The two organizations, it seems to me, should get together.

Last week the California Taxpayers' Association branded as "bad bargains" both of the bills proposing federal aid for school construction.

Arguing that California communities should handle their own school problems, the state group said:

"California has the heaviest school growth problem in the nation."

"Californians, through the state and the local school districts combined, have provided for our own school construction needs without federal aid except in heavily affected defense areas. We can continue to do so."

Sierra Madre, though, will not continue to do so if every proposal to better ourselves is defeated because of the activities of a special interest group which apparently can't see beyond Orange Grove Ave., let alone Washington, D. C.

H. W. E.

A Giant Is Laid to Rest

Some 57 years ago, a young man of 19 became a cub reporter on the old Baltimore Herald. His aim, expressed in a style which became familiar in later years, was "to lay in all the worldly wisdom of a police lieutenant, a bartender, a shyster lawyer and a midwife."

Few men came closer to realizing that aim than Henry L. Mencken, who died Sunday in his Baltimore home.

Mencken. A name of towering stature even to my generation, which was in swaddling clothes while he was leveling the shallow pretenses of a "genteel" tradition and shaping a new and tremendously more vital pattern of American thought.

Mencken. Author, scholar, editor, critic and reckless observer. More than any man, the voice of the turbulent '20s.

The Bad Boy of American Letters found his voice when he was given a column in the Baltimore Sunpapers and told to go ahead and "be irresponsible." He did, and in shrewd, biting prose lay about him in the years following at such va-rious institutions as the State of Kansas ("Sunbaked, un- washed Kansas") and Coolidge ("Nero fiddled while Rome burned, but Coolidge only snores.")

He sank his vitriolic shafts into the most sacrosanct of American institutions—religion, motherhood, patriotism; none were spared. And he smashed at the social phenomena of his times.

Of the American cult of financial success, he said slyly: "The easiest job I have ever tackled in this world is that of making money. It is, in fact, almost as easy as losing it. Almost, but not quite."

He snorted at the flourishing fad of psychology. In a note in the margin of a treatise on psychology, he summed it up: "As I stoop to lace my shoe you hit me over the coccyx with a length of hickory (Carya laciniosa). I conclude instantly that you are a jackass. This is the whole process of human thought in little. This also is free will."

But Mencken's stature as an iconoclast should not be allowed to dim his achievements in other fields.

As an editor he was, according to those authors with whom he dealt, encouraging and fair—and always honest. He also was competent and successful. A successor to his position as

contributing editor of The Nation said Mencken "used to read more manuscripts in a week than I read in a month, and disposed of them—yes or no, never maybe—with incredible dispatch."

During his years on the Smart Set with George Jean Nathan, and later on the American Mercury, he discovered such authors as James Branch Cabell, Ezra Pound, Mary Roberts Rinehart, Theodore Dreiser, and Ruth Suckow.

As a critic, Mencken was often brutal but, again, always honest. Although he thought "An American Tragedy" by Dreiser—who he had discovered and encouraged—was on the whole a powerful and moving novel, he was agast at its clumsy language. He felt compelled to say so.

"What is one to say of such a dreadful bludge?" he asked plaintively.

As a scholar, his "American Language" is unequalled in his own or any other time.

As has happened to many giants of their times, Mencken later turned to things his admirers would just as soon forget. His political pamphlets during the 30s and early 40s would have obscured the reputation of a lesser man.

It is not hard to analyze his comparative fall from grace. During the 20s Mencken struck at stuffy institutions which no longer meshed with the changing times. In an age of vitality, he was the most vital. In an age of scoffers, the biggest and best scoffers.

But when he turned his pen against the New Deal, he was striking at a cause which had caught the imagination of a desperate, depression-crushed populace. He no longer was shooting barbs at institutions in which few really believed anyway. He was attacking what to most was a badly-needed article of faith.

The responsive chord was no longer there. It is a powerful tribute to Mencken that his earlier work sustained his reputation through the later years.

A long time ago, Mencken wrote his own epitaph. It will do for today:

"If ever I depart this vale, you ever remember me and have thought to please my ghost, forgive some sinner and wink your eye at some homely girl."

Well, good hunting, Mr. Mencken.—W.F.T.

Lee Shippey asks

What Do You Think?

Multiply the terrible train wreck in Los Angeles by 10,000 and you have some idea what one hydrogen bomb might do to our metropolis.

Indeed, it might be worse than that, for a vast amount of confusion at the train wreck was caused by the ubiquitous morbid curiosity-seeker—the kind of person who responds to the radio appeal: "The authorities beg that only doctors, nurses and priests come to the scene," by leaping in their cars and hurrying to the place where they can do most harm by getting in the way.

The official Atomic Energy Commission film of a hydrogen bomb explosion, recently shown at our Public Library, indicated the explosion would be deadly within a radius of 3 1/2 miles—or a diameter of 7 miles.

Last week Russia boasted that it had even more powerful H-bombs than we have, and an American plane manufacturer warned that Russia is getting ahead of us in certain types of planes. The Russian boast may be an empty brag, the manufacturer's warning may have been inspired by yearning for bigger and fatter government contracts. But it is foolish to deny that we and Russia are in an arms race which annually results in more terrible weapons, and costs more and more in direct and indirect taxes which are becoming confiscatory.

For years we've been trying to scare Russia out of competition by boasting: "We can blow you off the map if we want to," but the only result has been doubled efforts by Russia to equal or surpass us in destructive power. It's as dangerous to both of us walking a tightrope over Niagara Falls while both banks are crowded with windy politicians eager to joggle the tightrope. Of course, we must keep strong as long as any potential enemy builds strength, but we ought to quit talking about our strength in threatening tones. Loud talk may win applause, but I never heard of a war which started by silence. Let's improve our approach.

When talking about things which can't happen here, remember that 10 days ago we thought it couldn't rain here.

In defense of Los Angeles police and disaster units, it must be admitted that they met their problem just as successfully as the smog controllers have met theirs.

The Semanons are getting so active here that pretty soon some of us will learn what the name means.

If George Washington really couldn't tell a lie he was awfully lucky to get into politics when he did.

A 10-inch rain, which did Sierra Madre little damage, is eloquent evidence that flood control—city, county, state and federal—is a mighty good investment.

LECTURE SERIES PLANNED

"Opportunities for Senior Citizens" is the subject of a series of lectures to be held at the Pasadena Public Library, 285 E. Walnut, at 2 p.m. each Friday beginning Feb. 10. The lectures are sponsored by the United Senior Citizens of San Gabriel Valley in cooperation with Pasadena City College Extended Day.

49 YEARS AGO THIS WEEK. Jan. 31, 1907—Mrs. Stevenson, of Lamanda Park; Mrs. A. D. Hawks, Mrs. Bruggman and Mrs. W. B. Crisp, all of Sierra Madre, were guests of Mrs. W. S. Andrews at lunch one day last week.

At a meeting of the directors of the First National Bank last Thursday evening the following officers were elected: President, Mr. Cooper; first vice president, Charles Kersting; second vice president, A. D. Hawks; cashier, H. Ivor Thomas.

20 YEARS AGO THIS WEEK. Jan. 31, 1936—Mrs. Ida Squire and Miss Ruby Moulton, of Sierra Madre, were honored by Mrs. Guy Scott of the Fennel Estate, 201 W. Carter Ave., on Sunday evening at a charmingly informal repast.

Mr. and Mrs. H. B. Cant of North Lima St. spent a jolly weekend with Mr. and Mrs. William Schwartz at their Balboa Island home.

Fred La Lone of 36 W. Highland Ave. can sit back and enjoy the peace and comfort of his own home after having been in the Santa Fe Hospital for three months. He contracted an unusual case of blood poisoning at that time which has attracted wide surgical interest.

Around the Square

This column is dedicated to the brotherhood of man, human interest trivia and rain making. Last week's "Where were the winter rains?" was no sooner in type than came the deluge. Such strategy ranks along with Zuni rain dances and washing your car.

AN EXECUTIVE at Hawks Engineering was looking out the window the other day (that is why this is anonymous) and had the privilege of watching a young man thumb his nose at his Fate. The young man, who was expertly propelling the city's street sweeper, was churning along the curbing and eating a sack of corn chips. Finished with his snack, he balled up the sack and tossed it—in the middle of the street—and went on his way. Always tomorrow, verdaad?

PAUL AND JEAN Johnson, whom everyone should have read about by now, are staying in Amman, Jordan, with Jean's sister, Suzanne Hanson, Suzie, who used to live and work in Sierra Madre, is with the U.S. Information Service attached to our embassy in the Arab kingdom. Probably sent there because she's fluent in Spanish and Portuguese.

FOR RENT with Option to Buy: One small lot. No questions answered. Miss Missy Sheldon, S. Hermosa.

AWARD FOR THE most flaming array of pyracanth shrubs this season to the Ralph Jones, 205 E. Orange Grove. Second to Dr. Thomas Guerin on Canyon Crest.

THE NEW DRIVE-IN mail box at the bank, which will accommodate "large folders and parcels," is handsome, convenient and all very well. But what we need is one large enough to hold Brad Cushing, his rate book and stamp drawer, so we know how much postage to put on beforehand. And who's to jump up and down on the "Fragile" parcels to be sure they are?

AROUND THE SQUARE: Pop Froelich cuts a deeper figure in town as he lights up and tips his hat to old friends. Chan and Lura Wilcox here briefly with fairly new small fry. They are leasing a place—a paltry five acres—in Visalia. He's out of the Army.

Al Wetherbee restlessly awaiting the time he can move to Lucerne Valley, where he already is building. He says there are 47 Sierra Madreans with plans to emigrate to that north-erly desert.

A LABOR OF LOVE, the artful work of Mrs. Carrie Nash in bringing and arranging flowers for the Library. For last week's big meeting of area library executives she brought in some exotics that should have sent 'em back to the botany books.—M.C.P.

OUT OF THE COBWEBS

10 YEARS AGO THIS WEEK. Jan. 31, 1946—Miss Florence Evans left for New York City last Sunday, where she will have four months special training in blood plasma in preparation for return to her missionary work in China.

Lt. and Mrs. Jack Paschall Jr. are the parents of a daughter, Penelope Lucille, born Saturday at the Good Samaritan Hospital.

5 YEARS AGO THIS WEEK. Feb. 1, 1951—Mrs. M. R. Wright was elected chairman of the Sierra Madre Planning Commission Thursday night. She succeeds W. W. Gildersleeve, who resigned from the planning body recently. William E. Bowers was elected vice chairman.

Membership in Pasadena City College's highest honorary organization was won Friday by Miss Barbara Stunden, daughter of Mr. and Mrs. Flint E. Stunden, 419 W. Grand View. Barbara is a psychology major.

Miss Blythe Foote, 807 Skyland Drive, left by air Tuesday for Washington, D. C., where she will be assigned to Europe for work with the informational program of the U.S. State Department.

Letters to the Editor Column

Dear Editor:

If everyone who cast a ballot in Tuesday's election now would back up his convictions with continued interest in school problems, Sierra Madre might recover one day from the disgrace of having to hold such elections more than once.

I'm not content with the local catechism which instructs us that these things always take several hearings and that other cities in the area have the same bitter experience. Why cannot we be unique in this way?

It seems to me we have a real opportunity at hand because we are a small town and by the nature of the things we take pride in, the village atmosphere, the cultural and artistic facilities. We should be the most alert and intelligent town in educational matters, also.

Most people invested a little thought into studying the school district's record and its current needs just before election Jan. 31st. However, they will be willing to let this brief

insight into school problems go un-nourished till there is another election on the horizon. The hard work of governing the school district will be swiftly turned back to the administration and the Board of Trustees. The people who were screaming for "all the facts" on the very morn of the election will not be found at board meetings offering constructive help in planning the future course of the schools.

It is faulty reasoning on the part of the voters to think their obligation to the schools is cancelled because they have been to the polls. The time to question the annual budget is when the budget is being made; the time to seek changes in curriculum, policy and services is when these items are current. The time is now—the election excitement is over.

JANE B. EASTWOOD

To the Editor:

We are getting a bit fed up with the "Opposition" in our city of Sierra Madre, calling themselves the Sierra Madre

Property Owners Committee, and who seem to oppose any and all needed improvements. Who are they? How many home owners do they represent? We would like to see published a list of those making up their executive board, or board of directors and the minutes of their last 10 meetings.

We are property owners, as are the others who were working diligently to get this necessary increase in school taxes passed by the voters. We are mindful not only of the need for a good teaching staff and facilities for our children, but also of the fact that without an "up-to-snuff" school, our property value will sink lower than the dregs.

Some such Home Owners League or Committee, with whom no one seems to be familiar, always seems to crop up whenever any desirable improvement for the town is proposed to the voters, such as water bonds, swimming pool, rabies inoculation, school bonds, etc.

It is too bad that Sierra Ma-

dre cannot remain the sleepy, retired town it would appear they would keep it. Let's face up to the times and conditions. This is 1956!

MRS. ARTHUR C. BOHART  
MRS. HUBERT L. PARTON  
Sincerely,

Dear Editor:

The Sierra Madre PTA, on behalf of all its members, wishes to express its thanks for the wonderful job done by so many individuals to make the school tax election a success.

A special note of thanks to Mr. John Curtis, head of the Civic Affairs Assn.; his assistant, Mr. Aaron Glaser, and Mr. James McCoy, for the PTA, who so ably managed the campaign. Also to all the precinct captains, block captains, the voluntary workers, and those who contributed their time and effort on making the "coffee hours" so successful.

THE SIERRA MADRE PTA

### Eastern Star Chapter Plans Reception Here on Feb. 6

The Sierra Madre Chapter of Eastern Star will honor its Deputy Grand Matron, May Osmund, Feb. 6 when she makes her official visit to the chapter.

Mrs. Osmund is a past matron of Lexington Chapter and is now Deputy Grand Matron of the 75th district which includes Arcadia, Monrovia, Santa Anita, Lexington, San Gabriel and Sierra Madre chapters.

Lella Roberts, general chairman for the reception slated to follow the meeting, will be assisted by Jessie Hickok, Chloe Edsall, Olive Fowler and Harold Roberts.

Earlier in the month, chapter members held a meeting to honor Tillie Froehlich, past matron, and Ed Hinton, past patron. Also entertained at this time were Joseph F. Reed, past Grand Patron of the State of California, and other past matrons and patrons of the surrounding districts.

### If a 'Dolman' Can Cross the Sea, We'll Go to Gay Paree!

"There'll be a dolman that crossed the sea After 'twas purchased in gay Paree!

And a dress that a Senator's lady wore (One that's pearl sewn) from those days of yore!

We'll tread the decades year by year And show what Grandma wore, poor dear! And there'll even be a daring daughter Who wore to the beach what she hadn't order!"

With this burst of frenzied verse, the Phoebe, in collaboration with Goodwill Industries, this week announced their Show of Old Fashions to be presented tomorrow at 8 p.m. in Pritchard Hall of Congregational Church.

The program to raise funds to re-do the Kindergarten Department of the Church School will include the story of by-gone fashions and music (solos and otherwise) and refreshments.

Sierra Madre talent will include Mrs. Richard Patterson, pianist; Miss Kathy Franco, soloist; Mrs. Edward Verreux, Mrs. Thomas Solary, Mrs. Grace Wilkins, Mrs. Glenn Appleby, Mrs. Ralph Velasco, Mrs. Richard Deffley, Mrs. Edward Decker, Mrs. Milton Emerson, Mrs. Roland Gutherz, Mrs. Ray Price, Mrs. Noel McGarvin, Mrs. Paul Kline, Mrs. Melburn Stine, Misses Donna Mihalovic, Susan Maloney, Sharon Rountree, Linda Black, Carol Kline, Carol Schwartz, Cynthia Ellet, Louise Carlson, Virginia Hippenstiel, Linda Reavis, and Marilyn Cole. Tickets will be sold at the door.

### Santa Anita Chit-Chat

By "Anita"  
EL 5-7846

Our sincere and heartfelt thanks to Fire Chief J. C. Heasley who carried our children across the "river" that was Sierra Madre Blvd. last Thursday. We mothers are grateful.

**MR. AND MRS. FREDERICK C. Williams**, of Pawtucket, R. I., have been visiting their daughter, Mrs. Draper W. Phillips, 528 San Gabriel Ave. We wish them a pleasant trip east.

**MR. AND MRS. M. G. MOUL**, who have been visiting their daughter, Mrs. Arthur G. Albrecht, at 161 Colony Drive, left Saturday for their home in Washington, D. C.

**THE "ACTIVITY - PACKED"** weekend at Scout Camp turned out to be packed with a little too much activity for Skip Barkley and his father, Lester Barkley. Skip fell off a fence and broke his arm. After X-rays at Crestline, Skip was taken to St. Luke Hospital in Pasadena for a closed reduction of the fracture.

**EXPECTED TO MOVE** in sometime this week, weather permitting, are William and Barbara Scott who purchased a new home at 441 Santa Anita Court, and David and Dorothy Walker, whose new home is at 320 San Gabriel Court.

**MRS. ALFRED FOXTON**, 130 Colony Drive, has been ill this past week. The gardening enthusiasts along Colony Drive have missed her.

To anyone on your love list...

### Family Observes 81st Birthday of Mrs. Pollgreen

The entire family of Mrs. William H. Pollgreen, 643 Woodland Drive, gathered together for the first time in many years last Monday to celebrate their mother's 81st birthday.

In Sierra Madre for the occasion were Mr. and Mrs. Pollgreen's two daughters, Mrs. Emily Neihoff, of Baltimore, Md., and Mrs. Major Roswald, of Everett, Wash.

Also at the celebration were Ben C. Pollgreen, of Ventura, and his wife and daughter, and another son, Thomas C. Pollgreen, of Sierra Madre.

Mrs. Pollgreen's children gave their mother a bouquet of American Beauty roses. Mrs. Pollgreen's husband presented her with a gardenia corsage.

### CLEAR CONSCIENCE

Some people think they are resting on their faith just because they fall asleep in church.

### 31st Birthday Party Planned Feb. 28 by Members of ALA

Members of the American Legion Auxiliary will meet Feb. 9 at 8 p.m. in the home of Mrs. Frances Brain, 61 W. Highland.

Final plans were made for the observance of the 31st birthday anniversary of the Auxiliary at a meeting held last week in the home of Mrs. Edna Faller.

The party will be held Feb. 28 at 8 p.m. in the Clarence Noshier home, 265 N. Mountain Trail. Honored guests will be the 18th District officers, charter members and past presidents of the unit.

Maybelle C. Barker, historian, will be mistress of ceremonies. Mrs. Val Miller will be program chairman and Mrs. Lloyd Welch will be in charge of refreshments.

Part of the agenda for last week's meeting included a talk by Mrs. Foster Buckner in favor of the school bonds.

The unit's president, Evelyn Bauer, and Orceila Henderson, membership chairman, attended the district membership dinner last Tuesday at the San Gabriel Legion Hall.

Never mind what the world owes you—it is your ability to collect that counts.

### Sierra Guild Fetes Associate Members

The 10 new associate members of the Sierra Guild to the Children's Hospital were entertained at a coffee hour in the Arcadia home of Mrs. H. C. Tumilty, 222 Oakmeadow Road.

Mrs. Tumilty, vice president of the Guild, has been appointed head of the associate group, voted into the Guild last October, which includes Mrs. Hugh F. Colvin, Mrs. Raymond Rogers, Mrs. John Hurst, Mrs. Howard Garrison, Mrs. Howard M. Clark, Mrs. Ernest Maurin Jr., Mrs. E. L. Mohr, Mrs. Charles Shugert, Mrs. Clarence Kanak and Mrs. Harold F. Beale.

Assisting Mrs. Tumilty were board members, Mrs. John Hawkins, Mrs. Merrill Pratt, Mrs. Gale Hersey and Mrs. George E. Osborn.

### Registration for Adult Classes Now Being Taken

Registration for the spring semester of the adult education classes being offered at the Sierra Madre Woman's Club-house is now open.

The costume designing and wearing apparel class, under the direction of Mrs. Ann Raymond, will be Tuesday mornings from 9 a.m. to noon; the millinery class will be taught by Mrs. Felicia Law and is Thursday morning from 9 a.m. to noon; Robert Frame's art class is from 9 a.m. to noon on Fridays and the personal development class, with Mrs. Ivan Black as instructor, is also on Friday from 9:30 a.m. until noon.

The classes are filling up rapidly and all residents interested in registering are urged to do so at once. Further information may be had by calling the adult education chairman, Mrs. Franklin A. Franco, at ELgin 5-9766.

### SAM EMBREE HOME

Sam Embree, former Sierra Madrean now living in West Covina, is home after undergoing major surgery at Monro-

### Valentine Party For Braille Club

"Hearts and Flowers" in the form of gay corsages and boutonnieres greeted the members of the Pasadena Braille Club when they were luncheon guests of the Pasadena - Foothill Alumnae Chapter of Delta Zeta.

Those Delta Zeta members taking part in the annual Valentine festivities were Mrs. Den M. Acres, Mrs. Ed Lynch, Miss Barbara Griffith and Miss Bertha Mae Wagener.

### Anoakia Mothers' Club Holds Meeting Feb. 1

The Anoakia Mothers' Club met at the school, 701 W. Foothill Blvd., Arcadia, Feb. 1.

Mrs. Richard Smith, who has been the American Field Service foster parent to the Anoakia French student, Francoise Bernusset, gave a talk on the Field Service and its value to our American families and their children.

News Want Ads Bring Results.

### St. Rita's Guild Luncheon Feb. 7

The regular monthly luncheon of St. Rita's Guild will be held Feb. 7 at 11:45 a.m. in the parish hall.

Third grade mothers will serve the luncheon, with Mrs. William A. Volmert and Mrs. J. A. Cogorno in charge. Reservations may be made by calling Mrs. Joseph Delgatto at EL 5-6473.

Guest speaker at the luncheon will be the Rev. Albert J. Duggan, pastor of St. Francis of Rome Catholic Church in Azusa.

Father Duggan was educated in the parochial schools of Los Angeles and is a graduate of St. Patrick's Seminary, Menlo Park, Calif. He served as chaplain in the 40th Division of the California National Guard in Japan and Korea from 1950-52.

Mrs. Robert J. Taillac, president of the Guild, will preside over a short business meeting.

The only motorist who never seems to run out of gas is the back seat driver.

### Open House and Theater Party Both Successful for Semanons

The Sierra Madre teenagers' club, the Semanons, chalked up two highly successful special events last week—a benefit theater party Jan. 25 which netted the club more than \$130, and an open house Saturday night in City Parkhouse attended by approximately 75 teenagers and visiting adults.

### Ballet Theater Opens Friday at Woman's Club

Sybil H. Walker and her daughter, Cleas, begin Sybil's Little Ballet Theater today at the Sierra Madre Woman's Club.

The theater will specialize in ballet but also will offer training in tap and acrobatics. Mrs. Walker hopes to introduce a new type of ballet training, emphasizing correct technique and also including a music appreciation period to help the pupils become acquainted with the great ballets and dancers of the past and present.

Mrs. Walker, formerly of Idaho, is an active member of the National Association of Dance and Affiliated Artists, and has had 16 years' experience in the teaching field. She and her family are new residents of Sierra Madre.

### ORT Chapters Will Meet New National Leader

Mrs. Victor Segal, newly-elected national president of the Organization for Rehabilitation Through Training, will be introduced to members of the Pasadena and Ontario Chapters tonight at 8:15 at the home of Mr. and Mrs. Hyman Ledeen, 840 S. Orange Grove Ave., Pasadena.

Mrs. Segal, a resident of Philadelphia, is on a speaking tour of the Southland and will describe the work done by ORT. This international organization, 75 years old, sponsors schools in 22 foreign countries, where 20,000 underprivileged young people have an opportunity to learn trades.

### Awards Court Is Held by Girl Scouts

The Girl Scout Court of Awards was held Jan. 31 in Pritchard Hall at the Congregational Church. Troop 23 conducted the Flag ceremony with Mrs. Sam Kirk at the piano.

Mrs. Earl Morris, president of the Sierra Madre Girl Scout Council, greeted all Scouts, parents and friends. Ten troops received awards in various phases of Scouting.

Mrs. C. Peterson, skipper of the Mariner troop, informed the Court that up to date the Mariners had contributed 2,016 hours at the Filter Center.

Linda Green received her "Wings" for 100 hours contributed, while the following girls received theirs for 50 hours of service: Doris Merrick, Mary Ellen Blake, Dody Bush, Carol Draeger, Louise Lauder, Kay Long, Mary Ellen Hippenstiel, Mrs. William Hippenstiel, Susan Maloney, Karen Morris and Lilia Robertson.

The skipper then introduced nine girls who are nurses aides at the Alta Vista Hospital in Pasadena. They are Mary Ellen Blake, Rita Bonney, Linda Green, Lee Meyer, Joan McCuchon, Susan Maloney, Karen Morris, Pat Nixon and Muriel Peterson.

Lee Meyer received her 10-year pin for 10 continuous years as a member of the Girl Scout movement.

A round table discussion on "Established Summer Camps" was held with Mrs. Ray Long and Mrs. John French as moderators. Those girls on the panel who told of their camping experiences were: Carol Parker, Pamela Valois, Carol Spaulding, Libby Robertson, Susan Hersey, Jean Hargraves, Ann Tyler, May Ellen Blake, Diane Twedell, Susan Maloney, Helen Jean Hippenstiel, Carol Draeger and Rita Bonney.

A medley of favorite camp songs was sung by the panel of girls and the Mariner Girl Scouts.

### Chaparral Poets To Meet Feb. 5 at Pasadena YMCA

The Pasadena Chapter of the California Chaparral Poets will hold their next meeting on Feb. 5 at 2 p.m. at the YMCA, 78 N. Marengo, in Pasadena.

Theme of the program will be "The Trend of Poetry," given by Dr. James R. Allen of Pasadena.

The junior past president, Estelle O. DeHonestis, will be honored for several years of faithful service.

Members are asked to bring a roll-call thought and poems for evaluation. Luna C. Osborn, the new president-elect, will preside. Guests are welcome.

The California Federation of Chaparral Poets will conduct their 17th Annual Poetry Contest program on May 12, at which time the winning poems will be read and awards will be made. The contest closes April 1.

Submission of adult poems is open to the public; 32 lines is the length limit. The poem may be a sonnet, free verse, or humorous.

Chaparral Poet members may submit poems on any subject—love poems, nature poems, spiritual values, etc.

Information and circulars may be obtained from the California Federation of Chaparral Poets' headquarters at 9841½ Imperial Highway, Downey, Calif.

### Friendship Club Will Hear Talk on Trip to Morocco

At their regular meeting on Feb. 6 at 2 p.m., Maysie Skutt, author of "World Safari," will speak at the Friendship Club on experiences she and her husband enjoyed on their recent trip to French Morocco.

She will show colored slides of Casablanca, the native market in Fedala, the Sultan's Palace at Rabat.

One day was spent journeying out of Marrakesh by native bus across the Atlas Mountains

Maysie Skutt

into the Sahara Desert. Even the wreck of a previous train did not deter the Skutts from their visit to the ancient Mohammedan capital of Fez. They wound up their journey with two days at Tangier and a ferry ride to the Rock of Gibraltar. Stories of these adventures will be included in Mrs. Skutt's new book on "Roaming in Europe."

After the program, a silver tea will be served.

### VFW Will Give Valentine Dance

The VFW will give its annual Valentine Dance Feb. 11 at the VFW Hall, 40 E. Montecito.

The Merry Men, a four-piece dance band, will furnish the music.

The entertainment committee is headed by the chairman, Jim Cole, and includes Bud Marsh, Roy Davis, Carl Cullum and Harry Holland. Tickets are 50 cents and the public is invited.

### Residents Here Open Cleaners

The new Pantorium Drive-In Cleaners has been opened at the corner of W. Sierra Madre Blvd. and Lima by Mr. and Mrs. Joseph Delgatto, who have been residents here for the past year and a half.

Mr. Delgatto is a member of the Lions Club, the Holy Name Society of St. Rita's Church and the Knights of Columbus, Arcadia Council. He is a graduate of the National Institute of Dry Cleaners.

Mrs. Delgatto is vice president of St. Rita's Guild.

Peter M. Messe, father of Mrs. Delgatto and builder and owner of the new four-store development, resides with the Delgattos and their three sons 734 Fairview.

Mr. Messe has been a resident of California on and off for nine years.

### Open Letter to Congressman Heistand

Hon. Edgar W. Heistand  
Congressman 21st District  
Washington, D. C.

Dear Mr. Heistand:

We wish to thank our Government, and especially you, for the basins above Sierra Madre which through your efforts were constructed in time to save us from a disastrous flood which surely would have occurred during the recent rainstorm had the basins not been there to protect us.

Our rainfall on this side of the mountain was about ten inches in thirty-six hours yet we suffered no damage. This is the first time in our history that we were not mentioned in the disaster column of newspapers.

We are sure you will receive many letters of thanks from the people of Sierra Madre for your forceful efforts in securing the money to construct these basins and seeing them through to completion.

Sincerely yours,  
T. W. NEALE.

## ORDINANCE NO. 566

AN ORDINANCE OF THE CITY OF SIERRA MADRE, CALIFORNIA, PROVIDING FOR THE VACCINATION WITH RABIES VACCINE OF ALL DOGS KEPT OR HARBORED OR BROUGHT WITHIN THE CITY OF SIERRA MADRE, CALIFORNIA.

The City Council of the City of Sierra Madre, California, does ordain as follows:

SECTION 1. Every person keeping, harboring or having a dog over the age of six (6) months in the City of Sierra Madre, California, shall cause such dog to be vaccinated with rabies vaccine within a period of six (6) weeks from the date of harboring, keeping or having said dog within said City, or from the date the said dog attains the age of six (6) months; provided, however, that the aforesaid provision shall not apply so as to require the vaccination of any dog which has been vaccinated by a person licensed by the State of California, or of any other state or nation, to practice veterinary medicine where such vaccination has been completed within the period of time as hereinafter prescribed in this Section 1. If chick embryo vaccine was used in such vaccination, it must have been completed within two (2) years prior to the date such dog was kept, harbored or brought into the City of Sierra Madre. If tissue phenolized vaccine was used, such vaccination must have been completed within one (1) year prior to the date such dog was kept, harbored or brought into the City of Sierra Madre.

SECTION 2. (a) Every person keeping, harboring or having a dog in the City of Sierra Madre, California, which has been vaccinated with chick embryo vaccine shall cause such dog to be revaccinated within a period of not more than two years after such prior vaccination.

(b) Every person keeping, harboring or having a dog in said City of Sierra Madre which has been vaccinated with tissue phenolized vaccine shall cause such dog to be revaccinated with rabies vaccine within a period of not more than one year after such prior vaccination.

SECTION 3. Every person practicing veterinary medicine in the City of Sierra Madre who vaccinates a dog with rabies vaccine shall issue to the person keeping, harboring or having such dog a certificate which is signed by said veterinarian and which states thereon the name and description of said dog, the date of such vaccination and type of vaccine used and shall send a duplicate copy thereof to the City Clerk.

SECTION 4. (a) Every person applying for a dog license whether to the Contracting Pound Service of the City or to the City Clerk of the City must exhibit a certificate issued by a person licensed by the State of California, or any other state or nation, to practice veterinary medicine which certificate shall show that the dog vaccinated in accordance with the provisions of Section 1 and 2 of this Ordinance, or (2) should not be vaccinated with rabies vaccine by reason of age, infirmity or other disability, which disability is shown on the face of such certificate and to the satisfaction of the person issuing the license to be in effect at the time of the license application. (b) At the time a dog license of the City of Sierra Madre is issued, it shall be stamped with the date of vaccination and the type of vaccine used as shown on said certificate, or if the license is issued as the result of the aforesaid certificate of disability, the words "No Vaccination Required" shall be stamped thereon. Such license so stamped shall be worn at all times by the dog for which said license is issued.

SECTION 5. (a) The Contracting Pound Service of the City shall capture and impound any dog found within the City limits of the City which is not wearing a license issued by the City of Sierra Madre, or by any other municipality in the County of Los Angeles or by the County of Los Angeles, and stamped as provided in Section 4(b) of this Ordinance.

(b) Any officer or employee of the Contracting Pound Service and any police officer of the City of Sierra Madre, shall have the right to enter upon any private or public property in the City of Sierra Madre in order to examine or capture any dog thereon or therein; provided, however, that no such officer or employee shall have the right to enter a house which is in use as a residence without first having secured a search warrant therefor.

(c) No dog so impounded shall be released to any person except where there has been a performance of the following conditions: (1) There has been presented to the Pound Master a current license for such dog issued by the City Clerk or if the person keeping, harboring or having such dog is not a resident of the City of Sierra Madre, such non-resident person has presented to the Pound Master a current license conforming to this ordinance for such dog issued by any other municipality in the County of Los Angeles or by the County of Los Angeles; (2) Where the person keeping, harboring or having such dog is a resident of the City of Sierra Madre, there has been paid to the Pound Master the license fee for a City of Sierra Madre dog license as provided by law; (3) There has been paid to the Pound Master the impounding, collection and other fees as provided by law; (4) There has been paid to the Pound Master a reasonable fee as determined by the Pound Master for the vaccination of such dog; provided, however, that such fee shall not exceed \$5.00; or there has been shown to the satisfaction of the Pound Master that such dog has been vaccinated with rabies vaccine within the time periods and according to the other requirements as prescribed in Section 1 and 2 of this ordinance; or that a certificate of disability has been issued for such dog as provided in Section 4(a) of this ordinance; and (5) The Pound Master has determined that such dog does not

have and is not reasonably suspected of having rabies.

(d) Within seventy-two (72) hours after the receipt of the aforesaid vaccination fee, or as soon thereafter as possible, and except as provided in paragraph (e) of this Section 5, the Pound Master shall cause the dog for whom the fee has been paid to be vaccinated by a person licensed by the State of California to practice veterinary medicine or secure from such veterinarian a certificate of disability for such dog. After the dog has been vaccinated or a certificate of disability issued and if all the conditions of paragraph (c) of this Section 5 have been satisfied, the Pound Master shall release such dog to the person keeping, harboring or having such dog or to the person making application for the release of such dog.

(e) If the Pound Master suspects that any dog so impounded has rabies he shall hold such dog for inspection by a health officer of Los Angeles County. In the event that such health officer shall determine that such dog is afflicted with rabies, it shall be disposed of in the health officer's direct. Whenever such health officer shall determine that such dog does not have rabies, it shall be released in accordance with the provisions of paragraph (c) of this Section 5.

SECTION 6. That any person violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof shall be punishable by a fine of not more than Five Hundred Dollars (\$500.00) or by imprisonment for a period of not more than six (6) months, or by both such fine and imprisonment in the discretion of the court.

SECTION 7. All other ordinances or parts of ordinances inconsistent with the provisions of this ordinance are hereby repealed.

SECTION 8. That the City Clerk shall certify to the passage and adoption of this ordinance, and shall within fifteen days after the passage and adoption thereof cause the same to be published once in the Sierra Madre News, a weekly newspaper of general circulation, published and circulated within said City of Sierra Madre, and which is hereby designated for that purpose, and

The final passage thereof said Ordinance shall take effect and be in force on June 1, 1956.

CHARLES H. JAMES,  
Mayor of the City of  
Sierra Madre.

## News of the Churches

PLANS HAVE BEEN completed for St. Rita's Guild annual benefit fashion show and brunch slated for Feb. 9 in the Coral Room at Bullock's Pasadena. Favors and table decorations for the "Fashion Carousel" were made when, from left, Mrs. Francis W. Danielson, Mrs. Richard Loel, general chairman; Mrs. Wayne E. Waters and Mrs. Jules V. Ruggles met for a "work session." Mrs. William R. Sidenfaden will be mistress of ceremonies. Door prizes have been donated by Georgene's Flowers,

Fisher's, Little Joe's and Mi Casita Restaurants, McBratney's, Flintridge China Co., Pacific Ceramic Products, Gladding McBean & Co., Mrs. Heine McGonagle, William Allen and Andrew Papac. The cost of printing invitations, programs and tickets was donated by Roberts Market, Simpson Cleaners and Reoss Market. Reservations may be made by calling Mrs. Loel at ELgin 5-3169 or Mrs. John A. Nuccio at DOuglas 6-5133.

## B'nai B'rith Chapter Raises \$216 on 'Posies for Polio Day'

The March of Dimes Fund received \$216.26 through the efforts of members of the San Gabriel Valley Chapter of B'nai B'rith Women on their "Posies for Polio Day" last Monday.

As part of a community effort to join the March of Dimes in raising needed funds for the continued care and treatment of

polio patients, with the cooperation of business houses and banks in Los Angeles County, B'nai B'rith Women's Division sponsored the event and furnished the "woman-power" in the flower sale.

The volunteers working were Mesdames Ned Gilbert, David Lieberman, Morris Turitz, Joseph Adashel, Solon Bruff, Arthur Cohen, Maurice Glayman, Leon Plus, Harry Verbin, F. DeHaan, Harry Arian, Harry Howard, Aaron Singer, Sam Minsberg, chairman, and Harry Winer, president.

The San Gabriel Valley Chapter encompasses the communities of Sierra Madre, Monrovia, Arcadia, Temple City, West Covina, Baldwin Park and El Monte.

## Rev. Leach Returns to Church Here

Rev. Harry Leach, who served the Congregational Church of Sierra Madre as interim minister from September 1954 to March 1955, has returned to the staff of that church as Minister of Visitation.

Mr. Leach previously had served pulpits in Indiana and Connecticut. For many years, he represented the American Board of Commissioners for Foreign Missions, as missionary, in Mexico and Paraguay. He and Mrs. Leach reside in Pasadena, but will spend at least two days a week visiting in the homes of members and friends of the Congregational Church here in Sierra Madre.

## Fourth Sermon In Temple Series Set for Friday

"How You Can Help Your Child," part IV in this series, will be the sermon which Rabbi Charles W. Steckel, spiritual leader of the Foothill Jewish Community Center, will discuss this Friday evening at services commencing at 8:30 o'clock. The Temple Center is located at 212 N. Lima St., Sierra Madre.

Some of the students, under the leadership of Mrs. H. Spies, will assist with the reading of the services.

Assisting in the services will be Cantor George David. Mrs. Herbert Stevens will accompany on the organ.

At the Oneg Shabbath, following the services, the hosts will be Mr. and Mrs. Paul Grossman, of Temple City. A cordial welcome is extended to all who wish to attend.

Conscience is your built-in watch dog—heed its advice.

### LEGAL NOTICE

Sierra Madre News  
No. 24195  
NOTICE OF SALE OF REAL PROPERTY AT PUBLIC AUCTION  
(Sale No. 76A)

Office of the Tax Collector of the County of Los Angeles, State of California.  
WHEREAS, the Board of Supervisors of the County of Los Angeles pursuant to the provisions of Division 1, Part 6, Chapter 7 of the Revenue and Taxation Code of the State of California, adopted a resolution approving the sale of property hereinafter described; and

WHEREAS, there is filed in my office written authorization for said sale under the hand and seal of the State Controller, to sell said property; and

WHEREAS, the minimum bid for each parcel is Ten (\$10.00) Dollars;

THEREFORE, public notice is hereby given that unless the said property is redeemed or an installment plan of redemption is initiated as provided by law, I, H. L. Byram, Tax Collector of the County of Los Angeles, will commence February 27, 1956, at the hour of ten o'clock A. M., and continuing from day to day in the office of the County Tax Collector, 1840 South Hill Street, in the City of Los Angeles, offer for sale and sell at public auction to the highest bidder, the following described real property:

Parcel No. 819. Tract No. 2456. Lot com at NE cor of Lot 159 th S 20° 15' W 100.8 ft with a uniform depth of 103.38 ft N 74° 30' W. Part of Lot 159. Assessed to Suman, Inc. Location—Vicinity of Woodland & Alta Vista Drs, Sierra Madre City.

Parcel No. 820. Tract No. 2456. That part SW of a line parallel with and dist SW at R/4 6.32 ft from NE line of Lot 301. Assessed to C. R. & Marion H. Seaton. Location—Vicinity of Vista Circle & Oakdale Drs, Sierra Madre City.

The foregoing described property is located in the County of Los Angeles, State of California.  
For information as to the amounts necessary to redeem or initiate an installment plan of redemption, provided the right to redeem has not previously been terminated, apply to H. L. Byram, County Tax Collector, 1840 South Hill Street, Los Angeles 15, California.

If redemption of the property or the initiation of an installment plan of redemption is not made according to law before the first bid is received, the right of redemption will cease.

Notice to Prospective Purchasers  
Prospective purchasers are cautioned that property contained in this notice may be encumbered with bonds and assessments which may not be dischargeable by tax sale. Information as to such liens should be obtained from the City Treasurer wherein the property is located and/or from the appropriate county, city or district office in which the records of such liens are kept.

The minimum bid for each parcel is Ten (\$10.00) Dollars. Property purchased shall be paid for in full, with cash, at time of sale, cashier's checks, certified checks, or bank money orders will be accepted in lieu of cash, provided they are made payable to H. L. Byram, County Tax Collector.

Dated this 30th day of January, 1956.  
H. L. BYRAM, Tax Collector.  
Publish Feb. 2, 9, 16, 1956.

### LEGAL NOTICE

#### NOTICE INVITING BIDS ON VEHICLE PARKING DISTRICT ASSESSMENT BONDS

NOTICE IS HEREBY GIVEN that the City Council of the City of Sierra Madre, California, will receive sealed bids for the purchase of the following described bonds at its Chambers in the City Hall of said city up to the hour of 8:00 o'clock P. M., February 14, 1956.

The bonds to be sold are bonds to be issued to represent unpaid assessments levied upon the lands within VEHICLE PARKING DISTRICT NO. 1 of said city to pay the cost of the acquisition and improvement of certain parking lots and related facilities under the Vehicle Parking District Law of 1943, Part 1 of Division 18 of the Streets and Highways Code of the State of California. Said bonds are Fifty-one (51) in number and of varying principal amounts totaling the sum of \$39,568.37. Said bonds are dated December 14, 1955, and bear interest from that date at a rate of not to exceed six per cent (6%) per annum. The first interest is payable on July 2, 1956, and thereafter the interest is payable semiannually on January 2 and July 2. The principal of said bonds is payable by coupon in twenty (20) even annual installments payable on January 2 of each year beginning January 2, 1957. Said bonds are similar to bonds issued under the Improvement Act of 1911, Division 7 of the Streets and Highways Code, and, except as otherwise provided in said Vehicle Parking District Law of 1943, the provisions of Part 5 of said Improvement Act of 1911 apply to said bonds and govern as to the issuance, collection and enforcement thereof.

In each of said bonds the right will be reserved to redeem such bond at any time before maturity upon payment of the then unpaid principal with interest thereon to the due date of the next maturing interest coupon, PLUS A PREMIUM of three per cent (3%) of said unpaid principal.

Each bond is a lien upon the property upon which the assessment represented by such bond was levied. For a description of the respective lots, pieces and parcels of land upon which the several bonds are liens, and for other information, reference is made to the assessment recorded in the office of the Superintendent of Streets of said city and to the List of Unpaid Assessments in said matter on file in the office of the City Treasurer of said city.

Said bonds are to be sold for cash only to the best responsible bidder at not less than the par principal amount thereof. Each bid shall state that the bidder offers to buy said bonds at the par value thereof, and shall state the interest rate, not to exceed six per cent (6%) per annum, payable as above provided, at which the bidder offers to buy said bonds. Bidders are directed to bid on a par flat basis WITHOUT ACCRUED INTEREST. Any accrued interest bid will be entirely disregarded and need not be paid. Any premium offered will not be taken into consideration in determining the best bid except for the purpose of breaking a tie between two bids stating the same interest rate. A bidder may offer a premium but such premium will be payable only if such premium is used to break a tie between that bid and some other bid or bids stating the same interest rate. Only one interest rate may be bid which rate may be stated in any multiple of 1/100th of 1% or any multiple of 1/8th of 1%. No bid for a part of said bonds will be considered.

A certified or cashier's check on a responsible bank or trust company, in the amount of three per cent (3%) of the principal amount of the bonds bid for, payable to the order of the City of Sierra Madre, must accompany each proposal as a guaranty that the bidder, if successful, will accept and pay for said bonds in accordance with the terms of his bid. The proceeds of the check accompanying any accepted proposal shall be applied to the purchase price or, if such proposal is accepted but not performed, unless such failure of performance shall be caused by any act or omission of the City of Sierra Madre, shall then be retained by the City. The check accompanying each unaccepted proposal will be returned promptly.

The opinion of O'Melveny & Myers, attorneys, approving the validity of said bonds will be furnished the successful bidder at or prior to the date of delivery of the bonds, at no expense to the bidder.

Payment for and delivery of said bonds shall be made in the office of the City Treasurer of the City of Sierra Madre.

It is expected that delivery of said bonds will be made on or about March 15, 1956.

The bids will be opened at the meeting of the City Council of said city to be held February 14, 1956, at 8:00 o'clock P. M., in the Council Chambers in the City Hall. Bids will be opened during said meeting at or after 8:00 o'clock P. M.

The Council reserves the right to reject any or all bids and to waive any irregularity or informality in any bid to the extent permitted by law.

Given by order of the City Council of the City of Sierra Madre adopted the 24th day of January, 1956.

L. MARIE WARFEL,  
City Clerk of the  
City of Sierra Madre,  
California.

Publish Jan 26, Feb. 2, 1956.

### LEGAL NOTICE

#### ORDINANCE NO. 565

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF SIERRA MADRE, CALIFORNIA, RECLASSIFYING CERTAIN REAL PROPERTY IN SAID CITY FOR ZONING PURPOSES AND ESTABLISHING SAID PROPERTY IN ZONE R-3 OF SAID CITY, AS DEFINED IN ORDINANCE NO. 558 OF SAID CITY.

THE CITY COUNCIL OF THE CITY OF SIERRA MADRE DOES ORDAIN AS FOLLOWS:  
SECTION 1. That pursuant to the recommendation of the Planning Commission of the City of Sierra Madre, made after public hearing as provided in Ordinance No. 558 of said City, adopted August 29, 1955, and after public hearing as prescribed by law before the City Council, the following described real property, situated in the City of Sierra Madre, County of Los Angeles, State of California, to wit:  
Lots 1 and 2 and the westerly 40 feet of Lot 3 of the Sierra Madre Valley View Tract, as per map recorded in Book 11, Page 21 of Maps, records in the office of the Los Angeles County Recorder  
shall be and the same is hereby reclassified and from and after the effective date of this Ordinance that portion of said real property, as hereinabove described, shall be reclassified as a single parcel and established as a district in Zone R-3 Multiple Family Residential Zone, under the provisions of said Ordinance No. 558.

SECTION 2. The City Clerk shall certify to the adoption of this Ordinance and prior to the expiration of fifteen (15) days from the passage thereof shall cause the same to be published once in the Sierra Madre News, a newspaper of general circulation, published and circulated in the City of Sierra Madre, and thirty (30) days from and after the final passage thereof said Ordinance shall take effect and be in force.

I HEREBY CERTIFY that the foregoing Ordinance was adopted at a regular meeting of the City Council of the City of Sierra Madre, held on the 24th day of January, 1956, by the affirmative vote of at least three Councilmen, to wit:

AYES: Councilmen Wood, Harrison, Roberts, James.

NOES: None.

ABSENT: Councilman Pratt, L. MARIE WARFEL, City Clerk of the City of Sierra Madre.

SIGNED AND APPROVED this 24th day of January, 1956.

(CHARLES H. JAMES, Mayor of the City of Sierra Madre.

ATTEST:  
L. MARIE WARFEL,  
City Clerk.  
Publish Feb. 2, 1956.

### Seminary Student Returns Here for 10-Day Vacation

Members of Faith Lutheran Church were happy to see in their Sunday morning service Vicar and Mrs. Jerrald Swanson of Missoula, Mont.

Vicar Swanson, a member of Faith Lutheran Congregation, is the son of Mr. and Mrs. Leslie Swanson of Arcadia, formerly residents of Sierra Madre.

A student at Concordia Theological Seminary in St. Louis, Mo., Mr. Swanson is devoting a year of internship in Montana prior to his graduate year at

the theological institution.

Mr. and Mrs. Swanson are spending a 10-day vacation period in the metropolitan area, prior to their return to the north.

### VOTING ASSEMBLY TO MEET

The bi-monthly meeting of the Voting Assembly of Faith Lutheran Church will be held Sunday afternoon at 2.

VILLA  
VIEWSBy Toni B. Maurin  
SYcamore 7-9634

If you find my news a little brief and to the point this week it is because I have been spending time at my neighbors picking up bits and pieces of a hill that happened to go asunder during our bout with the elements.

It is amazing what a few well placed gophers and nine or ten inches of rain can do to change the topography of the land. Oh, well, it does keep one from growing moss, I always say, and it is fun to see your neighbors.

I AM the curious type, and I am sure that there are others that are as interested as I. For those, I write that the explosion heard in the vicinity recently was an outsize bonfire on Fairpoint. Unfortunately the Fire Department had not been notified of it in advance and hurried to the scene at 6 a.m. with three trucks.

The next alarm for the Fire Department on the following early morning call was for real. Mr. and Mrs. John W. Seibert, of 3287 Barhite, had a fire originating in their daughter's bedroom. Their 7-year-old daughter, Catherine Marie, became the heroine of the night when she calmly ran in to inform her mother at 3 a.m. that their room was on fire.

Mrs. Seibert quickly got Christine, aged 4, out of the room, and their son Gregory from another room. Catherine calmly asked for blankets and to safety while her parents took over the necessary details until the Fire Department arrived.

The fire, confined to the one bedroom, was caused by an exploding lamp switch, which in turn ignited the lampshade and then the drapes, which were directly over the girls' beds. Mrs. Seibert feels that if it had not been for training the children in what to do in case of fire, their losses would have been tragic.

**MR. AND MRS. EDWIN PYLE** and their daughter Julie, of 1432 Old House Road, spent last week at Sun Valley. While they were there Julie tried her feet at skiing lessons.

**MR. AND MRS. JAMES H. Richardson Jr.**, of 3333 Barhite, entertained seven couples recently at a dinner party.

**JUDY ONG**, daughter of Mr. and Mrs. A. C. Ong, of 3335 Trevan Road, entertained Teddy Osburn, Jan Osburn, Ann Fricke, Karen Robinson and Marsha Seymour at a theater and refreshment party Jan. 28 to celebrate her 10th birthday.

**DR. AND MRS. ROBERT L. Mueller**, of 1600 Old House Road, entertained at a small dinner party on Jan. 25.

**KINNELOA MESA**, Association met Jan. 26 and elected its new officers. Mr. William F. Nash was elected president; Mrs. Charles E. Pretzinger, vice president; Mr. Edward L. Rucks, treasurer; Mrs. Wayne F. Purenberger, secretary, and Mr. Richard B. English, Dr. P. H. Hamilton, Mr. Dan Marvosh, Mrs. John C. Wilfong and Mr. Harry Pulaski, Board of Directors.

Ensemble Concert  
For Young People  
Planned Feb. 18

For the third year the Coleman Chamber Music Association, in cooperation with the Pasadena Parent Teacher Association and the Pasadena public and private schools, is offering a special ensemble concert for young people from the third grade through Junior High School.

The players this time are the Mallory Quartet, who have given concerts of this type all over Southern California. Their program will be of interest to the upper elementary school children and junior high age. Myron Sandler will again be conductor. They also will have the assistance of a bassoonist and a flutist.

This concert will be held at McKinley School Auditorium on Feb. 18 at 11 a.m. The charge is 35 cents. Any profit from these concerts will be put into a special fund to provide more programs in the lower grades next fall.

Nursery Opens  
Lecture Series  
Next Feb. 14

Joseph Risser, psychologist from the guidance and counseling department of Pasadena City Schools, opened a four-lecture series Tuesday night under sponsorship of the Hastings Ranch Nursery School.

"Discipline and Self-Discipline" formed the subject matter for his talk, which was attended by a number of interested parents in the Commons Room of Trinity Presbyterian Church.

Subjects for the series, relating to growth and needs of the pre-school-age children, were chosen by parents of the school in a questionnaire.

Dr. Stephen Clark, a Los Angeles psychologist, will speak Feb. 14 on "Brothers and Sisters."

On Feb. 28, Dr. Clark again will speak, his subject to be "Aggressiveness and Hostility." Mr. Risser will close the series on March 13, talking on "How to Teach Good Habits and Responsibilities."

Mrs. Lois Barnard is director of the school, and Mrs. Rex Thompson chairman of the series.

In announcing the series and the fact that the lectures are open to the public, school directors also said there are some vacancies in the school.

Children from 2 years, 9 months, to kindergarten age are eligible. They are divided into three age groups, with three classes attending Monday-Wednesday-Friday and three on Tuesday-Thursday. In addition to Mrs. Barnard, there is a paid teacher for each class, as well as mother assistants. The school is a cooperative, with parents expected to participate in activities of the nursery. Classes are limited to 12 children, setting the total enrollment at 72 or 36 each day.

## Hastings Teen Times

By David Brearley  
SYcamore 8-7430

I just had a nice talk on the phone with Dorothy Cole, the previous writer of this column. I am sure her many friends will be glad to know that Dorothy's mother is greatly improved. It was because of her mother's automobile accident that Dorothy gave up writing the column. Her work in the ninth grade at Marshall, along with her many outside activities, keeps Dorothy very busy these days. We all wish her a very happy and successful future.

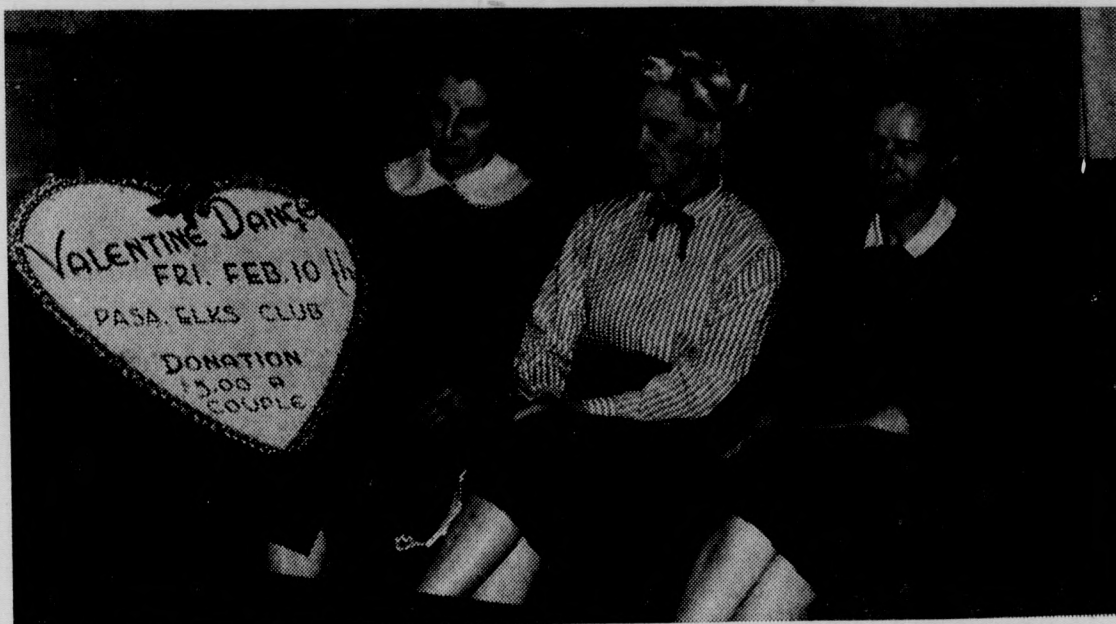

**CONGRATULATIONS** to Donald Hughes, 2004 Garfias, ninth grade, who won a \$25 U.S. Savings Bond in the recent Essay Contest of Pasadena's early history, sponsored by the Pasadena Historical Society. Donald also won the grand prize, a \$50 U.S. Bond, in the essay contest which was open to ninth grade pupils of Pasadena schools.

**A TEENAGE FIGHT** was averted last Friday evening following a dancing class held at the Pasadena Civic Auditorium by Miss Virginia Gollatz. During the dance, it was rumored that some of the teenagers were going to fight when the dance was over. Miss Gollatz took immediate steps to prevent the boys from taking part in such childish pastime, and had an officer posted to keep order. As a result, there was no trouble, and the dance ended perfectly.

**MR. ELLIOT**, our very popular tenth grade teacher of English and Social Studies at John Marshall Junior High, suffered a severe heart attack last Friday. We all wish him a very speedy recovery.

**LAST WEEK** I gave you the names of teenagers who were running for offices at Marshall. Here are the winners: President, Don Sunkijian; Vice-president, Stephen Samerjan; Secretary, Kathy Dinwiddie; Assembly Commissioner, Marlene Kravetz; Elections, Kitty Osborn; Finance, Jerry McClain; Health, Charlotte Fedde; Publicity, Mike Collins; Service, Lynne Seymour; Safety, Don Palmer; Boys' Activities, Gaylen McIntire; Girls' Activities, Nancy Grizzle.

And now I leave you with this thought: Remember the man who was feeling blue because he had no shoes, until one day he chanced to meet a man who had no feet.

MEMBERS OF THE COMMITTEE for the St. Valentine's dance Feb. 10 in the Pasadena Elks Clubhouse are, from left, Mrs. Leonard Read Jr., Mrs. John Wyles Jr., and Mrs. John

Garo. The dance is sponsored by the Women's Council of the Blessed Virgin Mary Church. Proceeds will go to the school and the parish.

Mrs. Mayer Opens  
Home for Monthly  
Field PTA Luncheon

Mrs. Joseph Mayer will be hostess to the executive board of the Eugene Field PTA at a meeting and salad luncheon beginning at 10 a.m. Wednesday at her home, 3875 Fairmead.

Special guests for the meeting and luncheon will be room mothers from the third grades—Mmes. George Franklin, Al Shrouder, George Holmes, Martin McMahon, Ed Val, Robert Higgins and Robert Lee.

## PLAY HELD OVER

The Rudy Vallee stage comedy, "Jenny Kissed Me," which has been setting attendance records at the Pasadena Playhouse, will be held over for an extra week—through Sunday, Feb. 5, the Playhouse has announced.

Permit Issued  
For Homes

The Lomita Square Corp. has been issued 67 permits for a new development of homes in the Upper Hastings Ranch by the Pasadena Building Department. Murphy Bros. was named as the contractor for the project.

The development will include 6-room houses with a permit valuation of \$15,000 each. The total valuation is \$1,005,000. Those streets accommodating the new homes are Startaugh Dr. with 18; Don Benito Ct., 4; Michillinda Blvd., 1; Valley-lights, 22, and Edgeview Dr., 22.

Dance Club Sets  
Anniversary Party  
Feb. 11 at Eaton's

Reservations have been made for the first anniversary party of the Hastings Ranch Dance Club—a Valentine dinner-dance for 8 p.m. Feb. 11 at Eaton's.

Hosts and hostesses will be Messrs. and Mmes. Howard Hitchcock, Dan Taylor, Draper Jennings and Robert Buttane.

'Hearts and Flowers'  
Theme of Council  
Dance February 11

"Hearts and Flowers" will complement the decor for the fourth annual Valentine Dance the Parish Council of the Assumption of the Blessed Virgin Mary Catholic Church is sponsoring Friday evening, Feb. 10, at the Pasadena Elks' Clubhouse.

LaVerne Boyer and his orchestra will furnish the music for dancing from 9 p.m. until 1 a.m.

Assisting the dance chairman, Mrs. Herbert J. Germain, are Mrs. Charles Klingerman, president of the council, Mrs. J. C. Wentz, Mrs. Dominic F. Giangregorio, Mrs. Guy R. Knudson, Mrs. Thomas J. Rose, Mrs. James McGinley, Mrs. Leonard Read Jr., Mrs. Duane Manning, Mrs. E. F. Elfers, Mrs. Harless Kitchens, Mrs. John L. Garo and Mrs. Ben A. Rogers.

Proceeds from the affair will be used for the combined benefit of school and parish. Council members are aiding in ticket distribution. Tickets also are obtainable from Mrs. Giangregorio at ELgin 5-2547.

Hastings Girl Wins Kiwanis  
Contest on Free Enterprise

Diane Day

Written as a series of letters to a make-believe girl friend in France, Diane Day succinctly explained "Free Enterprise in a Progressive Society," to become one of four winners at Pasadena High School in the Free Enterprise Contest sponsored by the East Pasadena Kiwanis Club.

Diane is a senior, daughter of Mr. and Mrs. Charles Day, 3770 Shadow Grove. Diane won a cash prize of \$30. She and the other winners were introduced at the last club luncheon. Twelve essays from 100 submitted were selected by school authorities for judging by the Kiwanians, and the four winners were chosen from the 12.

Diane's essay attempted to show Yvonne, her fictitious friend, who was considering becoming a communist, that the American way is better.

Debunking the idea that American workers must produce only for the benefit of the wealthy, Diane's letters said "American experience has proven that rigid class separation slows down both the productivity and profitability of industry."

"America's economic and social system has given the citizen the opportunity to work according to his abilities, therefore unleashing a truly gigantic production, and at the same

League of Women Voters  
Will Start  
New Unit HereNumbers to Call  
With Ranch News

Those having news for the Hastings Ranch Section are asked to call Lucie Lubisch at ELgin 5-1921, for the Lower Ranch, and Marge Thomas at SYcamore 3-2743 for the Upper Ranch.

Hastings Dems  
To Hear Fresno  
Report Feb. 9

A contingent from Hastings Ranch will be on hand for the Central Democratic Committee convention in Fresno this weekend, and they will make a report to Democrats in the Ranch at a meeting at 8 p.m. Thursday, Feb. 9, at the Channing Orbach home, 1425 N. Michillinda.

Delegates will include Jack McKenna, new president of the Hastings Ranch club, as well as Ed Berry and former presidents Al Snyder, George Lenney and Tom Yeakle. A number of alternates also will attend.

The convention begins tomorrow night and continues through Sunday, with the highlight of the program coming Saturday as presidential candidates Adlai Stevenson and Estes Kefauver speak. Both these addresses will be heard here on radio and TV.

The principal job of the convention, which will be attended by representatives of Democratic club from throughout California, will be to endorse a candidate for the office of U.S. Senator.

Fighting for the endorsement are former Congressman Sam Yorty and State Senator Richard Richards.

Armor Todd Turns  
Pirate at Fifth  
Birthday Party

Armor Todd, son of Mr. and Mrs. Frank Todd, celebrated his fifth birthday in a swashbuckling manner at a pirate party at his Mayfair Road home Sunday.

Placards at the party table were pirate dirks, and the small boys of the neighborhood wore pirate hats and dug their hands into a treasure chest that centered the table to bring forth golden (candy) coins. The dining room was darkened and lit dimly with candles in bottles to give the illusion of the hold of a pirate ship.

Enjoying games such as "walk the plank" and a peg-leg race were Randy McCarthy, Gary Alpert, Jeffery and Craig Anderson, John Smith, John Behrens, Carter White, Ricky Stever, Scott Thompson, Dennis Miller, Bobby Stevens, Steven Moffat and Johnny Wellman.

Canfield Road  
Has Mud Flood

Add one more note to the flood of last week:

Canfield Road residents held their breath as dirt piled high behind their homes at the site of the Catholic Boys' High School began to ooze in goosy mud under fences, through drainage holes in walls, across rear lawns and into swimming pools.

In an effort to prevent further damage, bulldozers were in operation during the height of the rainstorm to channel the flowing silt down Michillinda and away from private property.

Canfield residents were told that damages would be repaired by the builders, when inspectors made the rounds of the homes involved.

## Ranchettes . .

**MR. AND MRS. RAYMOND V. Cox**, 1461 Daverie, are the parents of a son, David Mathew, born Jan. 6 at St. Mary's Hospital in Long Beach, weighing 8 pounds, 4 ounces. The maternal grandmother is Mrs. Lloyd Rolse of Long Beach. The paternal grandparents are Mr. and Mrs. J. D. Cox of El Monte. The other Cox children are Joan, 8, and Jim, 4.

Due to the interest that many people have shown in the League of Women Voters, there will be a new evening unit started in the Hastings Ranch-Sierra Madre area. The evening League unit will convenience may who have not been able to attend the Hastings Ranch Unit No. 5 meetings held at 10 a.m. the fourth Thursday of the month at 1110 Medford Road. The evening meeting will be held the third Wednesday or Thursday evening of the month.

Currently, the League is studying the administrative and financial structure of public education on a state level, and financial structure on the local level. The initial material for this subject was very ably presented at the January meeting to the Hastings Ranch unit by the resource person, Mrs. Wilton A. Stewart, 1170 Valley View Ave., assisted by Mrs. Chester A. Pugsley, 3885 Landfair Drive, as discussion leader.

In accord with League policy, this item will be presented for study and discussion at the January, February and March meetings, and will be given sustained attention for which the League, after thorough study, could take action. Many persons will want to join with the League in its efforts to understand these complicated school problems and your participation and assistance will be welcome in either unit.

All those interested in the formation of the new evening unit of the League of Women Voters, call ELgin 5-2845 or ELgin 5-2839.

Many persons will be interested in attending the next "League Day" when the League of Women Voters will focus attention on two vital subjects of current interest. The meeting will be held at the Women's City Club, 160 N. Oakland, Pasadena, Tuesday, Feb. 7. Mrs. William F. Peters, president of the Pasadena League, will open the meeting at 9:45 a.m.

From 10 to 10:30 a.m. Mrs. Grant Dahlstrom, voters' service director, will present a program on "The Importance of Voting in the Primary Election."

Those who had the opportunity of hearing Mrs. Dahlstrom at the January League Day speak on "Registration Requirements for the Spring School and National Primary Elections" will want to pursue this

subject further at the February session.

The time from 10:30 a.m. to 12 noon will be a continuation of the state and local item, "The Administrative and Financial Structure of Public Education in California and Financing the Pasadena Schools." Dr. Bruce Hawks, coordinator of special services for the Los Angeles County schools, will speak on "School Building Needs and How to Meet Them." Dr. Hawks' special interest is school construction. He is visiting lecturer at Claremont College in school finance and school law. There will be plenty of time for questions and answers.

The morning session will be concluded and the meeting adjourned for lunch at 12:15. The cost is \$1.50. Reservations must be made before noon, Feb. 6, at the League office, SYcamore 2-5298. Phone in your reservation now and join your friends in the Hastings Ranch unit who are planning attendance.

Following luncheon, in keeping with the League's policy of encouraging its members to be active in the party of their choice and to promote party responsibility, Mrs. Grant Dahlstrom will present speakers who represent two political parties: Miss Patricia Kimball, who represents the Stevenson Democratic Club of the 48th Assembly District Democrat Council, and Mrs. Douglas Nickerson, former headquarters chairman of the Republican Co-ordinating Council and second vice president of the La Canada Republican Women's Club.

All interested persons are invited to attend both the morning and afternoon sessions, and those unable to attend lunch are invited to join the group at 1:00 p.m. for the luncheon speakers and the discussion to follow.

## Sports in Haste . .

How to Suffer Torture Gladly  
Is Creed of Sports Car Fan

By Charles Ayres

Have you ever heard a large roar coming up from behind and pulled over for the truck to pass only to have a bantam car zoom by?

If you haven't you're not doing much driving hereabouts.

Those little midget monsters are "sports cars" and their fans and supporters are counted in astronomical figures.

Such activity obviously flourishes here for possibly three good reasons: 1, the climate; 2, the large acreage and well-maintained roads, and 3, people like them.

"Sports cars" are not to be confused with "hot rods" although both groups have some things in common such as counting carburetors and bragging about the speed that can be generated in no time at all. Being one of those who for economic reasons drives something that wouldn't exactly qualify as "high powered," I've often wondered what all that horsepower is doing while creeping along the Pasadena Freeway at 5:30 p.m.

**YOU HAVE** to go a long way to find better organized and active groups than the "sports car" clubs. Hardly a week passes that there isn't some well-planned rally or race scheduled where they compete for prizes. The assembly points call for a considerable chunk of real estate so they gather at such logical places as Sears' parking lot in Pomona or May Co. parking lot on Crenshaw.

There are annual races of considerable magnitude that are held at such places as Palm Springs, San Diego, Santa Barbara and the big one coming up in April at Pebble Beach. These events resemble the mass migration of the swallows to Capistrano.

So well organized are the sports car fans that they have broken it down so far as to have a "Women's Sports Car Club" and a "Volkswagen Owners Club."

Apparently the sports car creed is "How to live it up though miserable." How else

BE THAT as it may, them as has 'em swear by 'em. In Hastings Ranch as far as I can determine there are several Volkswagens, two MG's and a Simca. Judging by the roar on an otherwise quiet night, there must be a Farar, Porsche and Jaguar at least in the area.

One of the MG's is owned by "Ted Top" Todd on Mayfair and the other by my wife. The Simca is owned by my neighbor, Harry Masser, but it hasn't been running for about 10 months. It seems as how it's lacking some vital part like a drive shaft that requires some special fabrication that starts and ends with the letter S.

Perhaps the biggest sports car fan in the Ranch is John McGraw. Oddly enough he doesn't own one.

Admittedly no car gets the tender care and mechanical maintenance that the sports car does, which brings to mind that maybe I'm more sporting than they are when I venture out in my old standard mass-produced buggy. I'm never sure it will get me back.

## TO SET UP LABORATORY

Establishments in Pasadena of the Advanced Electronic Data Laboratory, a new facility of Consolidated Electrodynamics Corporation, has been announced. It will undertake development of advanced equipment in the magnetic-tape data-processing field under contract to governmental and private agencies.

### Lewis F. Arnett Of Pasadena Dies

Lewis Franklin Arnett, of 3447 E. Blanche St., Pasadena, died Jan. 19, 1956, in a Los Angeles hospital after a lengthy illness.

Mr. Arnett was a native of Vienna, Ill., and had been a resident of California for nine years.

He is survived by his wife, Flora Arnett; a son, Dallas Lee

Arnett, Pasadena; two stepsons, Bobby and Gernie Rose, both of Ft. Meyers, Fla.; eight brothers and sisters in the East, and four grandchildren.

Funeral services were held Jan. 23 by the Rev. Ray Schock, of Maple Chapel in Glendale, of which Mr. Arnett was a member, in the Ripple Mortuary Chapel.

### Marshall PTA Hears Talk

"Carrying Our Children Through Adolescence," a talk by Mr. Louis Sparer, psychologist, with illustrative films and selections by the school orchestra, was the program at the January meeting of John Marshall PTA on Jan. 26 in the school auditorium.

Mr. Sparer, who lives at 1345 Hastings Ranch Drive, spoke about adolescence as a phase in the development of personality with emphasis on contemporary cultural and social changes.

The school orchestra, directed by Mr. Dana Moffat, presented several selections which it is preparing for its spring engagements.

Marshall's musical aggregations are experiencing one of their busiest years. First spring engagement of instrumental groups will be the District Music Festival sponsored by the Southern California Band and Orchestra Association to be held at Bell Gardens on March 9 and 10.

All groups receiving No. 1 rating will compete at a regional festival Marshall will participate in the "Class C" category.

Marshall's Evening of Music to be held later in the spring will feature all three bands and the two orchestras in various combinations. Instrumental groups will take part in Graduation Week activities also.

The Girls' Glee Club, directed by Mrs. Herr, has been divided into two sections. The Glee Club sang at the Marshall Christmas program and will appear at a spring assembly and at the March PTA meeting.

A CRATE OF ORANGES from his former congressional district was a birthday gift to the vice president by the four congressmen who now represent various parts of what was his former district. From left: Rep. Glen Lipscomb, South Pasadena; Rep. Patrick Hillings, Arcadia; Rep. Edgar Hiestand, Monrovia; Vice President Nixon, and Rep. Carl Hinshaw, Pasadena.

### Mildred Louise Stauffer Weds Howard Lee Neal in Dallas

Mildred Louise Stauffer, daughter of Mr. and Mrs. James H. Stauffer of Dallas, Tex., was married Jan. 27 in a candlelight ceremony to Howard Lee Neal, son of Mrs. Ruth Neal of Chicago, at St. Andrews Presbyterian Church, Dallas, with Dr. Kenneth L. Mauldin reading the ceremony.

The bride, attired in a white lace and nylon net over taffeta dress with a fitted bodice, topped by a long sleeved lace jacket, was given in marriage by her father. Her shoulder length veil was held in place by a lace crown beaded with pearls. She carried a white Bible adorned by a nosegay of white gardenias and shredded carnations.

Miss Billie Nunn, of Dallas, was maid of honor and chose a peach taffeta ballerina length dress with a matching headpiece and veil. The fitted bodice had a round neck and shoulder-strap sleeves.

The groom's uncle, Roosevelt Clark of Benton, Ill., was the best man and the ushers were Ralph Stauffer, brother of the bride, and Bruce Dougherty.

The bride's mother was attired in a French blue crepe ensemble accented by navy shoes and white gloves.

Candelabra with white candles and altar bouquets of white gladioli and mums were used in the church decorations.

Following the double ring ceremony, more than 150 guests gathered in Fellowship Hall at the church for the reception.

The bride is a graduate of Trinity University and McCormick Theological Seminary. She will continue as director of Christian Education at Trinity Presbyterian Church.

The groom attended the University of Illinois and currently is a student at Pasadena City College. He is employed as draftsman at Western Gear Corp. in Pasadena.

Following a honeymoon the newly married couple will make their home at 43 W. Peoria, Pasadena.

#### ENROLLED AT POMONA

Nancy Lee Rogers, freshman, daughter of Mr. and Mrs. William J. Rogers, 40 Suffolk, and Thomas G. Lumsdon, senior, son of Mr. and Mrs. Godfrey Lumsdon, 200 Monte Vista Lane, both of Sierra Madre, are among 1,040 students enrolled in Pomona College for 1955-56.

### 'Queen' Nominees Are Presented At Scout Kick-Off

Seven lovely nominees for the title of "Miss Explorer Queen" of the San Gabriel Valley Council, Boy Scouts of America, were presented on stage at the Pasadena Civic Auditorium during the Jamboree Kick-Off meeting held Feb. 1.

The program was arranged by Oliver B. Prickett, who for many years has helped plan and conduct the Coronation of the Tournament of Roses Queen.

"Miss Explorer Queen" has been chosen but her name will not be announced until the Explorer Ball is held at the Pasadena Elks Club on Feb. 17. Judges for "Miss Explorer Queen" were Myron Thomas, chairman of the selection committee for the Tournament of Roses Queen; Miss Sharon Doty, one of the princesses for the 1956 Tournament of Roses, and Don Ricardo, well known orchestra leader.

Elimination contests were held in the seven Scout districts represented by nominations for "Miss Explorer Queen."

Included in the nominees are Miss Sally McComas, representing the Mr. Wilson District. Sally attends Pasadena High School and lives with her parents, Mr. and Mrs. Willis F. McComas, at 1536 Sierra Madre Villa, Pasadena.

Presentation of the nominees for "Miss Explorer Queen" will be part of a 1½-hour show in connection with the Scout Council's Jamboree Kick-Off in launching a membership enrollment to recruit 20,000 boys during 1956.

### SCHOOL MENU

30c Tray Lunch  
Feb. 6-10, 1956

MONDAY—Macaroni and cheese with stuffed egg, choice of string beans or stewed tomatoes, diced peaches with peanut butter cookie, slice of French bread and butter, milk.

TUESDAY—Hamburgers with cheese, choice of peas or seven-minute cabbage, carrot and pepper strips, mixed fruit cup, milk.

WEDNESDAY—Chop suey with rice, choice of spinach or beefs, apple sauce, slice of bread and butter, milk.

THURSDAY—Meat balls and mashed potatoes, choice of corn or banana squash, cake, slice of bread and butter, milk.

FRIDAY—Choice of baked fresh fish or Welsh rabbit with rasher of bacon, choice of carrots or broccoli, choice of ambrosia fruit cup or apricots, slice of bread and butter, milk.

Various a la carte items available at extra cost. No a la carte items sold except as an addition to tray lunch or to children bringing lunch from home who wish to buy supplemental dishes or to adults. Ice cream is an a la carte item.

#### UNIVERSAL

All the world's a stage—and most people in it insist on having speaking parts.

#### Vic Vet says

**LIFEGUARD DESIGN**

Lifeguard Design is the first comprehensive contribution to driver and passenger safety in case of accident.

Two years ago, Ford set out to determine the causes of car-accident injuries... so a safer car could be built. Hundreds of actual car-to-car "accidents" were staged and the results were minutely recorded by high-speed motion picture cameras and modern electronic devices. During this time, Ford engineers also consulted pioneers in the field of crash injuries at universities, medical colleges and state police headquarters.

This research showed that over half of the serious car-accident injuries came from occupants of cars being thrown against the steering post, against hard interior surfaces, or being thrown out of the car.

To guard you and your family against these major hazards, Ford developed Lifeguard Design. It's a whole new family of safety features including: Lifeguard deep-center steering wheel—Lifeguard double-grip door locks—Lifeguard rear-view mirror—optional Lifeguard padding for instrument panel and sun visors and optional Ford seat belts.

Come in and Test Drive the FINE CAR AT HALF THE FINE-CAR PRICE!

## NO ONE ELSE HAS YOUR FINGERPRINTS

...and no one else has exactly the  
same organic structure as you have.  
For this reason, a prescription that  
works wonders for someone else may  
even be harmful for you.

NEVER use medicine or drugs pre-  
scribed for someone else. Always con-  
sult your doctor and he will prescribe  
exactly what is RIGHT for you.

Then bring us your prescription to  
compare and dispense exactly as he  
has directed. Remember, your health is  
your personal, priceless possession.  
And we give our personal, professional  
service to each individual prescription.

## Scanning the Sports scene

Al "Weary" Walton, head  
mentor of the Pasadena City  
College basketball quintet, is  
having without doubt his worst  
season of a long career.

As of the time of this writ-  
ing, the Lancers had a horrible  
record of 2-19, with one of those  
wins over the alumni.

Now actually the team is not  
as bad as you may think. They  
have good potential, as good as  
any team in the league, but  
they lack what is governing  
basketball nowadays—a thing  
called height.

The tallest boy on the squad  
is 6'3" and he looks like he's  
around 5'10" when playing  
against such opposition as Ven-  
tura, whose center and forward  
are 6'9" and 6'8".

BESIDES HEIGHT, though,  
the team and school lack so  
much spirit that it's a wonder  
they have a team at all. PCC  
could have an excellent ball  
club with the material on its  
campus.

Walton was becoming very  
optimistic when the season  
was approaching. He had 53  
prospects, among them Randy  
Anderson, who made All-CIF  
for Muir last year . . . Also  
from the Muir campus came  
Vic Talbert, who made all-  
league and would have made  
All-CIF if he hadn't missed the  
last three games.

Vic was their center, and it  
was his first year of competi-  
tive playing. He stands 6'3" but  
is as valuable as a 6'6"er when  
he gets under those boards. He  
has spring like a kangaroo,  
and is as graceful as a deer.  
He'd be the answer to Walton's  
forward problem, but he and  
Randy quit because they didn't  
like the way "Weary" coached.

THEN THERE WAS Ted An-  
derson, Randy's older brother,  
who stood 6'4" and would have  
made a great center, but was  
eliminated because of scholas-  
tic difficulties.

There are a lot more cases  
like the ones I have mentioned,  
but even these three great ball  
players, if they had been play-  
ing for PCC all season up to  
now, would have reversed that  
bad record. Right now there are  
about 10 or 12 boys still on the  
squad out of that amazing 53.  
No spirit at all—that is the  
story of this year's PCC bas-  
ketball team.

WHY ARE THEY considering  
Frank Leahy for the SC coach-  
ing job when he said he was  
all through with the coaching  
business? It would be awful if  
Leahy gets it for, as you know,  
every Notre Dame fan adores  
Frank, and Frank adores Notre  
Dame. It seems silly that he  
would coach one of their most  
hated rivals, or even that SC  
would want him for that rea-  
son.

## Boy Scouts Mark 46th Birthday

Onward... For God and My Country

46th ANNIVERSARY 1956  
BOY SCOUTS OF AMERICA

### OFFICIAL BOY SCOUT WEEK POSTER

More than 4,100,000 Cub Scouts,  
Boy Scouts, Explorers, and adult  
leaders throughout the nation  
will observe Boy Scout Week,  
February 6 to 12, marking the  
46th anniversary of the Boy  
Scouts of America.

Since 1910, Scouting has served  
over 24,500,000 boys and adult  
leaders.

The new Four-Year Program,  
"Onward for God and My Country,"  
is launched in 1956 to help  
prepare America's boys to live

in today's world and to prepare  
them to carry their full share  
in the years ahead.

Boy Scout Week observances  
will feature rededication cere-  
monies to be conducted by each  
of the nation's 104,000 units at  
their meeting places on Febru-  
ary 8, the actual birthday of  
Scouting in America. Demonstra-  
tions and exhibits will drama-  
tize the purposes of the Boy  
Scouts of America and its rich  
heritage.

### Garden Notes . . .

## New Strawberry Hybrid 25 Is Both Decorative and Delicious

In the strawberry world there are a number of varieties that  
have been making news among gardeners and their strawberry-  
consuming friends and family.

Hybrid No. 25 is an ornamental strawberry and excellent  
eating! It is often planted as a ground cover as well as in the  
traditional mounds and the more unusual strawberry barrel.

No. 25 has glossy foliage,  
white spring flowers and then  
in summer some of the best  
tasting strawberries you'll ever  
eat, says the California Asso-  
ciation of Nurserymen. No. 25,  
besides being delicious eating,  
is simple to grow. It has high  
drought tolerance, soil toler-  
ance and requires no food.

Other favorite fairly new  
strawberry varieties are the  
University of California intro-  
ductions—Donner, Shasta and  
Lassen. Gems, Streamliner and  
Rockhill are also widely  
planted.

Donner bears early, ripens  
evenly and is an excellent all  
round strawberry. It does very  
well in Southern California.  
Shasta is especially excellent  
for northern and central coastal  
areas of the state.

Lassen is a large plant and  
a heavy producer. For preserv-  
ing, Gems is a fine strawberry,  
while the everbearing capabili-  
ties of the Rockhill and Stream-  
liner make them favorites.  
They bear luscious fruit from

very early spring through late  
fall.

Strawberry plants can be  
grown in mounds, barrels, beds  
or rows. In mounds and beds  
set the plants 12 inches apart  
each way. If you plant in spe-  
cial barrels for strawberries  
with the many "lips" on the  
sides use a well settled, loose  
rich soil. You may need soil  
conditioners to keep the soil  
loose.

Strawberries should be plant-  
ed in a sunny location away  
from trees and shrubs whose  
roots take the nourishment and  
moisture from the soil. Prepare  
the planting soil by spading  
and mixing in well rotted ma-  
nure or peat mixed with a com-  
mercial fertilizer.

Heavy soil should have plen-  
ty of humus mixed in. Set the  
plants and press the soil firmly  
around the roots. A hormone  
solution can be applied to start  
early growth and quick root  
growth. A mulch of coarse  
shavings around the plants will  
protect the berries and keep  
them clean.

## YOUR HEALTH

By Roy O. Gilbert, M.D.  
Los Angeles County Health  
Officer

Since 1953 pulmonary tuber-  
culosis has not been included  
among the 10 leading causes of  
death in Los Angeles County.  
This hardly justifies compla-  
cency, however, for 3,150 new  
cases were reported within the  
county during the last year.

It is true that much progress  
has been achieved in the con-  
trol of tuberculosis, that some  
of its death-dealing character-  
istics have been successfully  
challenged, and that the term  
of its cure in some cases has  
been shortened from a matter  
of years to a matter of months.

It is likewise a matter of  
record that the nation's death  
loss from the disease was 65.7  
per 100,000 population in 1934,  
a rate that had fallen to 16.1  
by 1952. But when rates are  
translated in terms of actual  
patients the number was, and  
still is, of some magnitude.

FOR INSTANCE, when the  
national statistics are assem-  
bled for 1955, they will prob-  
ably show in the neighborhood  
of 17,000 deaths despite the re-  
duction in the case-rate.

This number represents an  
economic loss of considerable  
consequence, for the greatest  
number of active cases of the  
disease is now found in indi-  
viduals from 25 to 44 years of  
age. These are the very citizens  
who should be in, or approach-  
ing, the years of greatest pro-  
ductivity.

In addition, tuberculosis in-  
flicts a toll which is unrelated  
to death. Besides the strain  
which it imposes on family life  
it is generally considered to be  
the most costly of all diseases.

Including loss of wages, re-  
lief payments, the cost of med-  
ical care, compensation, and  
other items, the average case  
costs the nation between \$14,-  
000 and \$15,000. Most of this  
bill must be footed by the tax-  
payer.

AN ESTIMATE of the total  
cost of the disease, made in a  
recent editorial in the New  
England Journal of Medicine,  
places the yearly sum for the  
United States at about \$260,-  
000,000.

Complacency and unfounded  
optimism are perhaps the chief  
stumbling blocks of the event-  
ual elimination of the disease.  
Further progress toward this  
goal can come about only  
through unremitting efforts in  
education, case finding, reha-  
bilitation, and basic research.

## HOW TO INCREASE CALIFORNIA'S RECOVERABLE OIL RESERVES

We believe every citizen and taxpayer has a personal stake  
in the Oil and Gas Conservation Initiative

A huge increase in California's recov-  
erable oil reserves will result from an  
oil conservation measure for which title  
has been approved by the Attorney  
General.

### Prohibits Waste of a Vital California Resource

This initiative differs sharply from  
other oil measures brought before the  
public in the past. It does not permit  
market demand curtailment and pro-  
ration. It is designed solely to give the  
oil industry legal tools, to match its  
know-how, to carry out production  
practices necessary to enable the in-  
dustry to be good stewards of Califor-  
nia's oil reserves.

### Insures continued high employment

It will enable a majority of the opera-  
tors in a field to bring about practices  
which will prolong immeasurably the  
lives of fields in which they are em-  
ployed, insure continuing employment  
to those in the industry far beyond  
present expectations, and provide a  
strong bulwark for the cornerstone  
represented by oil production that  
underlies California's whole economy.

### Oil means three billion dollars in pocketbooks of Californians

The public welfare involved in good  
oil conservation is indicated by the fact  
that in 1954 the various petroleum  
products derived from California oil  
production added about three billion  
dollars of new wealth to the State.

For two years Richfield has conducted  
a public information program about  
oil.

As a public service and in our own self-  
interest, we have been telling the  
people of California how tremendous  
quantities of recoverable oil are being  
wasted by being left unrecovered in  
the ground.

Richfield engineers have told meetings  
of women's groups, community leaders  
and conservation groups how the phys-  
ical waste of oil could be prevented,  
and the size of the public's stake in  
good oil conservation practices.

These meetings have always ended  
with strong expressions of support for  
action that would protect the public  
interest in this vital natural resource.

### Public has demanded this constructive action

It is because of the very favorable pub-  
lic response to the information pro-  
gram that we decided to sponsor an  
initiative measure for an oil conserva-  
tion law and bring the matter directly  
before the people.

Not enough new pools are being dis-  
covered in California to keep oil pro-  
duction equal to ever-increasing  
demand. We are now sending dollars  
abroad for the purchase of oil—dollars  
that would otherwise be circulated  
among our own people in payment for  
goods and services of all kinds.

### Initiative provides only sure way to keep California's oil prosperity

There is one sure way to increase Cal-  
ifornia's reserves of recoverable oil and  
thus assure California of continued  
prosperity. That way is unit operation  
in as many oil pools as possible. Cal-  
ifornia producers need the law to facili-  
tate unitization.

My associate, R. W. Ragland, and I  
are the sole sponsors of the initiative  
petition. But discussions which we  
have had recently with other oil people  
indicate that a majority of the indus-  
try will support the proposal.

We expect the measure to qualify for  
the general election ballot, November  
6, 1956.

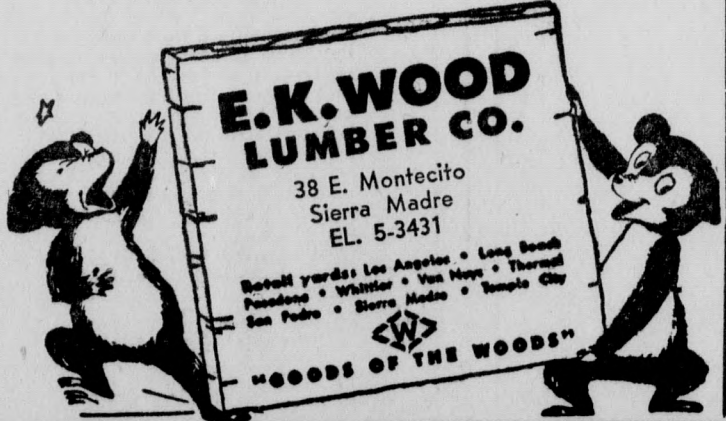

Chas. S. Jones

PRESIDENT, RICHFIELD OIL CORPORATION

A home of your own is one of the wisest invest-  
ments you can make. Why not get started on it

## Cub Scouts Get Badges, Arrows

Cub Scout Pack No. 371 met Jan. 20 at the Congregational Church under the leadership of William Barnes, Cubmaster.

Many boys received their badges for advancement and arrows for special achievements. Also at this time, new boys and boys transferred from other packs were welcomed into the pack with a special ceremony.

Work done by the Cubs in their den meetings was on display for the parents to view.

The Cub Scout Committee meeting of the parents was held in January at the home of Mr. Barnes and plans were made for coming activities.

During the month of February, Cub Scouts will participate in Boy Scout Week and will join in the window displays. They also will participate in services at the different churches and synagogues this week.

## Drive 'Percy Jinx' Off Streets Is Tuneful Aim of Resident

Byron O. Taylor, of 30½ W. Laurel, has composed lyrics to the tune of Casey Jones which are designed to add to the discomfort of careless drivers on Sierra Madre streets.

Mr. Taylor would like to see a "Percy Jinx" campaign to shame these motorists into more-courteous driving habits. Here are the lyrics:

**First Stanza**  
Come all you drivers if you want to learn  
About a reckless driver who would neither stop nor turn;  
Percy Jinx was the driver's name;  
He had it coming to him, for he tried to beat the game.  
Percy Jinx, he had it coming to him;  
Percy Jinx, the boulder's name;  
Percy Jinx, he had it coming to him;  
He had it coming to him, for he tried to beat the game.

**Second Stanza**  
When Percy was a baby, he

used to yell and yell  
Till all the neighbors wished he would fall down in the well;  
And then he went to grade school where he played with smaller boys,  
'Cause he loved to push 'em all around and make the loudest noise.

Percy Jinx, he kept up such a squawking,  
Percy Jinx, he made the loudest noise;  
Percy Jinx, he kept up such a squawking,  
He loved to push 'em all around and make the loudest noise.

**Third Stanza**  
Then Percy went to high school and he got a horn to toot,  
But he drowned out all the others till at last he got the boot;  
And then he went to college and you'd think he'd learn some sense,  
But Percy wouldn't learn it, so they hung him on the fence.

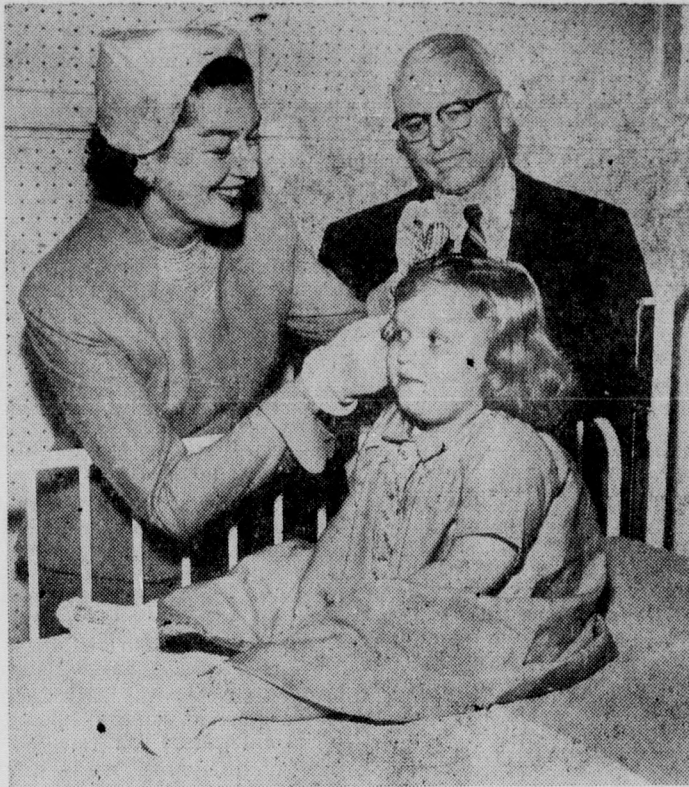

Percy Jinx, he wouldn't learn it;  
Percy Jinx, they hung him on the fence;  
Percy Jinx, he wouldn't learn it;  
He wouldn't learn it, so they hung him on the fence.

**Fourth Stanza**  
At last Jinx went in business and he bought a big red car,  
No other horn in seven states could be heard half so far;  
When he neared a children's crossing, he would honk it long and loud;  
For he loved to see 'em scramble as he hurtled through the crowd.

Percy Jinx, he loved to see 'em scramble;  
Percy Jinx, he loved to see 'em scramble;  
Percy Jinx, he loved to see 'em scramble;  
He loved to see 'em scramble as he hurtled through the crowd.

**Fifth Stanza**  
But he tried it once too often and he chanced a truck to meet,  
And he was in little pieces when they scraped him off the street;  
He zoomed up to Saint Peter, yelled, "Gimme a horn to blow!"  
But they had no use for speeders, so Jinx had to go below.

Percy Jinx, they had no use for speeders,  
They had no use for speeders, so Jinx had to go below.  
When you see a bone-headed driver, Mr. Taylor wishes you would shout at him or her, in loud and indelicate tones: "Percy Jinx."

Rosalind Russell and Joseph R. Jones, officers of the Sister Kenny Foundation, greeted Teresa Adkins, 3, first patient admitted to new neuromuscular diseases ward at Sister Kenny Memorial Hospital and Rehabilitation Center in El Monte. In addition to polio patients, facility now offers treatment and hospitalization to victims of other neuromuscular diseases such as cerebral palsy, muscular dystrophy and multiple sclerosis regardless of race, religion, color, age or ability to pay. Public contributions maintain Sister Kenny Memorial Hospital.

## School Board Studies Salary Schedule

The Sierra Madre School Board discussed a tentative salary schedule for classified personnel on Jan. 24 but took no definite action.

In addition to state textbooks, the board approved payment of \$1,725 to the County School Library Service for the use of 5,175 books.

The board also accepted Mrs. Patsy Carlson as a substitute teacher.

Reports on classroom activities were given by Mrs. Beulah Wood and Mrs. Selma Tandowsky, teachers, before the meeting was adjourned to Feb. 8.

## HEADS IN SAND

Fault finders usually carry a microscope with them, but seldom look in a mirror.

Percy Jinx, they had no use for speeders,  
They had no use for speeders, so Jinx had to go below.

When you see a bone-headed driver, Mr. Taylor wishes you would shout at him or her, in loud and indelicate tones: "Percy Jinx."

## Michigan Visit In July for Susan Webster

Susan Webster, 439 Mariposa, a kindergarten teacher in Duarte has been having a busy time since the first of the year, when Michigan State was in the Rose Bowl. She was in attendance at many parties and receptions given for the Spartan team.

Ferris Hallmark, who played on the team two years ago, came to California for the game and escorted Miss Webster to affairs both at the Huntington-Sheraton and Laguna Beach. He is now in his second year of pre-med school at Northwestern University.

Miss LaDelle Nelson, secretary at Beardslee School, Duarte, gave several parties with Joe Badaczewski, Pat Burke, Leo Haidys, Tony Kalodziej, Jerry Musetti, Gary Lowe, John Matsko, Larry Harding and Carl Nystrom, Spartan captain.

Miss Webster and Miss Marjiam Robinson attended a large reception in the Bacchante Room at the Huntington-Sheraton with Jerry Musetti and Gary Lowe. They also attended a party given by Michigan State coach, Duffy Daugherty.

Miss Webster and Miss Robinson plan a visit to Michigan in July.

# CYSTIC FIBROSIS

## What Is Cystic Fibrosis?

It is a mysterious disease which kills thousands of children each year. The first diagnosis in a live child was made only 17 years ago. It is estimated that cystic fibrosis, a disease of the lungs and pancreas, will affect one out of every 1,000 children born in the United States.

There is as yet no known cure or certain control. More than 200 tiny victims of cystic fibrosis are in Children's Hospital in Los Angeles alone, and there are thousands more throughout the country.

## What Is the Cystic Fibrosis Foundation?

It is a two-year-old group formed to raise funds for research in the cause, treatment and eventual cure of the disease. Funds are desperately needed to provide an adequate research program. This program must first isolate the basic cause of the disease, then work toward a cure.

## Where Do Contributions Go?

Under a small grant from the Moore-White Medical Foundation of Los Angeles, the CF Foundation initiated a research program at Children's Hospital in Los Angeles. A large grant from the Santa Anita Foundation will provide a research laboratory for five diseases, one of them cystic fibrosis.

As yet, however, there is little or no money for operating expenses. Contributions will go for this purpose, and also to increase the research and education program of the CF Foundation.

## What Is the Hastings Ranch Guild?

A group of 35 women has formed a guild to support the Foundation and to inform the public of the urgent need for a concerted attack on this child-killing disease.

## FIRE FLAMES

By JAMES HEASLEY

There is much anxiety among the members of the fire department because of the confident feeling of the residents that all is well with our fire protection.

This feeling of security may breed carelessness and promote that dreaded holocaust which is liable to occur. Our few fires and low fire loss is of little concern to the Board of Fire Underwriters, who well know that preparedness is of vital importance.

Our insurance rates are not adjusted according to how few fires we have, nor a low fire loss. It is only the fire equipment and the ability to use it, plus the water supply and location of supply, that means much.

Fortunately, we are well supplied with water and fire plugs. And we are again lucky to have the services of 30 interested men who are willing to give much time to fire prevention and fire fighting.

This is well—providing an alarm is answered before a small fire grows. We must appreciate the value of the help a group of 30 or more men can furnish when serious hard work is needed at a fire.

We must also be warned that once a fire gets started, seconds count, and the prompt arrival of the men and equipment is of vital importance. All this means that the best way to prevent disaster is to be ever fire conscious and do everything possible to keep fire from getting started.

There are so many ways to start a fire. Many of these are least expected. The Do's and Don't's are so often repeated and written that we should all know some of them.

One of the worst fire hazards is the familiar cigarette. This common custom has reached the homes to the extent where some practice the habit while in bed. If there ever was a danger, that's IT!

Our most serious fire of the past year was caused by a carelessly placed cigarette. Left simmering atop a dresser table in the bedroom, upstairs, the housewife was not aware that the house was afire. Fortunately, the small baby of the household was not taking the afternoon nap—upstairs.

The fellow who knows what is best knowing and does what is best worth doing finds the going the easiest.

## Alumni in Area to Hear Talk By Head of Stanford University

Dr. Wallace Sterling, president of Stanford University, will speak to Stanford alumni of the Pasadena area Feb. 8 at the University Club of Pasadena.

The informal dinner meeting, which starts at 7 p.m., is co-sponsored by the Stanford Women's Club of Pasadena, Senior and Junior Divisions, and the Stanford Men's Club of Pasadena.

Phillip Fogg, prominent local man and intimate friend of Dr. Sterling, will be master of ceremonies.

Dr. Sterling will bring news from the campus to Stanford alumni in the area, as well as family members and friends. He will speak on the gigantic development program on "The Farm," and gifts that have been received from various sources, and will give an intimate picture of Stanford activities today.

Well known in this area, Dr. Sterling was a professor of history at the California Institute of Technology from 1937 to 1948.

He held the E. S. Harkness professorship of history and

government and was the director of the Huntington Library and Art Gallery in 1938 and 1949 and is now a member of its board of trustees.

During the war he was a news analyst for the Columbia Broadcasting System. He was named president of Stanford University in April 1949.

The dinner is being planned by Mmes. Merle S. Templeton, president of the Senior Division, and Haze A. Wallace Jr., president of the Junior Division, and James Fullerton, president of the Stanford Men's Club.

Committee members include Mmes. Charles M. Woodward, H. E. LeGrand, Samuel Rhoads, L. E. Morrison, William Killeen, Colin MacKay, Harold Hennacy, William Cook, Charles McClung, Richard Hahn, David Dunham, Robert Reed Jr., Albert Buffington and Miss Betty Fish. Reservations must be made

## Alpha Chi Alumnae Will Meet Feb. 7

Alpha Chi Omega Senior Alumnae of the San Gabriel Valley area will meet for luncheon Feb. 7 at the home of Mrs. Wallace Durham, 1000 Hillside Terrace, Pasadena.

Mrs. Ernest Porter, president, will preside over the 11 o'clock business meeting, and following the luncheon John Wells, member of a local investment firm, will present a talk on financing and will show films prepared by the New York Stock Exchange.

Co-hostesses for the meeting will be Mrs. Myron E. Smith, Mrs. Harold L. Pierce, Mrs. Thomas Lowe, and Mrs. Paul H. Rowe.

### SWAP MATERIAL

Make the best of the present—you may be able to exchange it for something better in the future.

by calling either Mrs. LeGrand or Mrs. Killeen at SYcamore 2-3461 or ELgin 5-2792. All Stanford alumni or friends of Stanford not receiving an invitation are invited.

### BEAT THE CLOCK

Time works wonders, but so would man if he could work 24 hours a day like time does.

### ADDS UP

The minute a man begins to feel his importance his friends begin to doubt it.
